POLICE DEPARTMENT
LINCOLN, NEBRASKA

ANNUAL • REPORT

LINCOLN POLICE DEPARTMENT

Department Mission Statement.

A goal of the Lincoln Police Department is to control crime and other disorder through a joint effort between our department and the citizens of Lincoln. We recognized that the keystone of this effort must be a cordial, respectful and trusting relationship between our department and the community, and that by seeking every opportunity available to strengthen the police-community bond, the community and its citizens will be better served.

ROLAND A. LUEDTKE, MAYOR

B. DEAN LEITNER, CHIEF OF POLICE

THE CITY OF LINCOLN

POLICE EMERGENCY
911

NON-EMERGENCY
(402) 471-7245

Mayor Luedtke and Members of the City Council:

It is with great pride and pleasure that I submit to you our 1985 Annual Report. It is intended that by providing you with an opportunity to review the various components which make up this annual report, that you will have an even clearer understanding concerning the efforts and strides which have been, and are currently being, made to effectively address community concerns.

The annual also serves as an historical documents from which our department may observe a variety of phenomena, including, but not limited to: Personnel Strength and Distribution, Police Calls for Service, Crime Trends, Traffic Trends, Costs for Police Services and Department Efficiency and Effectiveness.

I would be remiss if I did not allude to the results of our 1985 Efficiency/Effectiveness Survey because it highlights the fact that our department has continued to maintain a tradition of professional and effective police service to the citizens of our community. As you review the results of the survey, I believe you will agree that the logistics speak for themselves. Yet, I recognize that we cannot take full credit for our accomplishments. Recognition must also be given to the citizens who interact with us and support us in our efforts.

My colleagues and I feel that this document truly illustrates the responsibilities and accomplishments of the department's men and women who carry out their vital roles in serving the citizens of the community. I appreciate the guidance and support I have received throughout 1985 and am looking forward to working with you in a cooperative effort to make 1986 an even more successful year for the City of Lincoln.

B. DEAN LEITNER, Chief of Police

EFFICIENCY/EFFECTIVENESS SURVEY

1985

In May of 1985, the Lincoln Police Department Planning Unit conducted a survey of twenty four (24) police departments in cities throughout the United States. The cities involved were of comparable size to Lincoln. The purpose of the survey was to determine the operational efficiency of the Lincoln Police Department when compared to other police departments of similar size.

Five (5) categories of specific data were collected from each of the surveyed departments. The categories pertained to: city population, current police budget, total calls for police service during 1984, total Part I crimes during 1984, and the current total number of authorized commissioned officers.

Information from the above five (5) categories were then used as the basis for extracting further information aimed at providing measures of efficiency. Such efficiency measurements pertained to: cost per capita, cost per call for police service, the number of Part I crimes worked per officer, and the number of officers per 1000 population.

The efficiency of each category was then numerically ranked with number one (1) assigned to the **lowest** cost figure and the **highest** productivity figure.

The four (4) numerical rankings were then combined to arrive at the overall efficiency ranking for

each police department. As indicated on the following chart, the Lincoln Police Department is ranked number 1 in the overall efficiency ranking. Based on four (4) widely accepted efficiency measurements; that is, cost per capita, cost/unit of service, unit of work/employee, officer/1000 population, Lincoln is as efficient as any other city, and in fact, more efficient than the other cities listed in its population class.

It is a logical argument to assert that organizational efficiency is more valid when viewed in light of how 'effective' the organization is. A valid measure of the Lincoln Police Department's effectiveness can be determined by showing the department's clearance rate for Part I crimes. During the year 1984, the Lincoln Police Department had a clearance rate of 31.4% on Part I crimes. This is substantially higher than the national average. A recent publication of 'Uniform Crime Reports,' published by the FBI, shows the overall national clearance rate for Part I crimes is 20.4% and a 21% clearance rate in cities within Lincoln's population group.

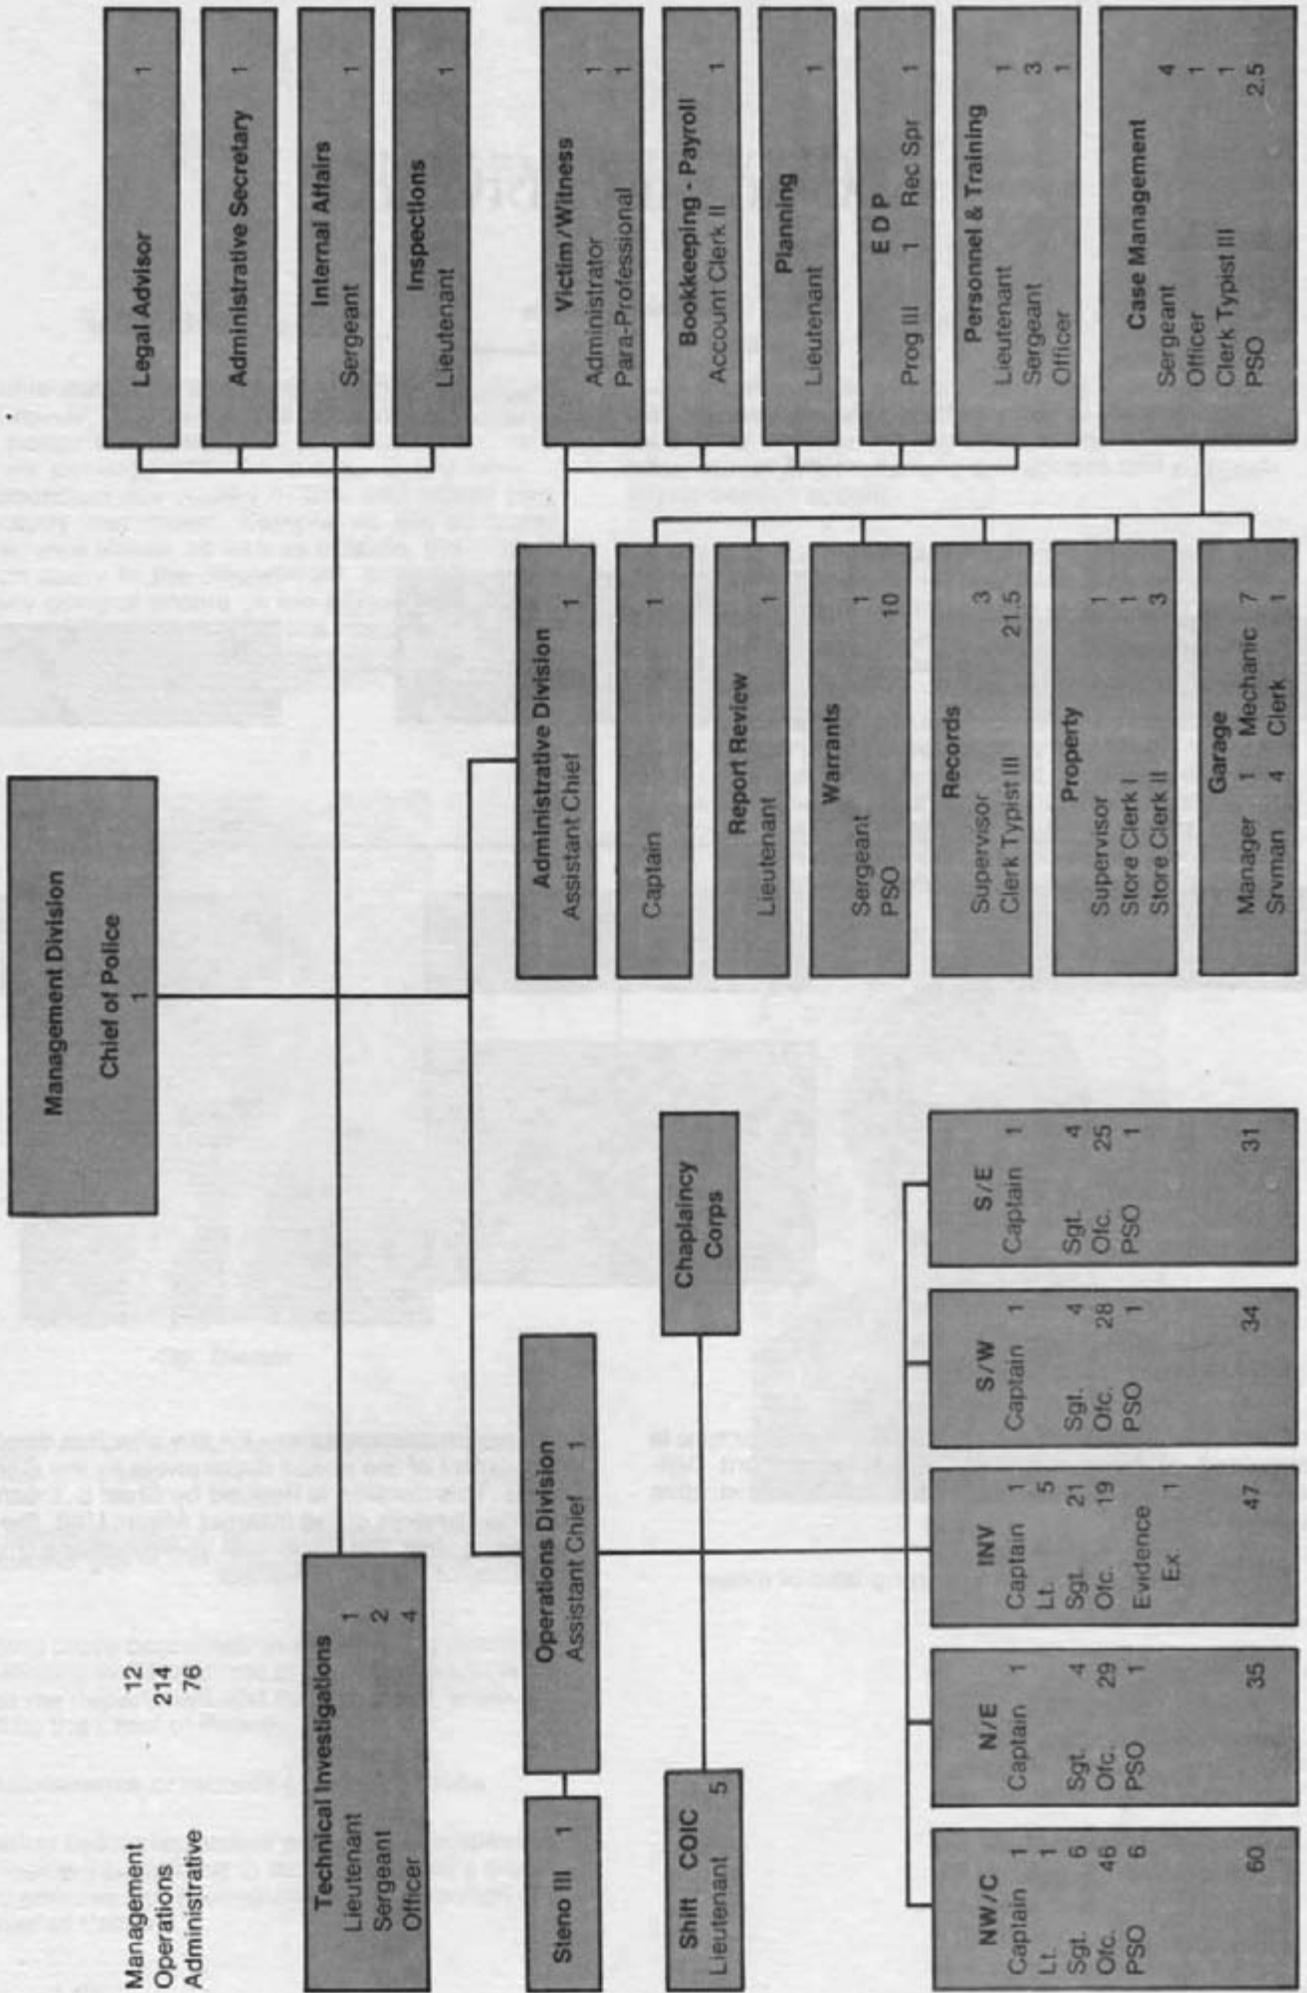

When the concepts of 'efficiency' and 'effectiveness' are combined, it can be determined that not only is the Lincoln Police Department performing more service to its citizens for less cost (as illustrated in the survey), but is also providing a 'quality' of service which is very high.

EFFICIENCY/EFFECTIVENESS SURVEY

ORGANIZATIONAL STRUCTURE

MANAGEMENT DIVISION

Authorized Positions

Commissioned		Non-Commissioned	
Chief	1	Adm. Secretary	1
Lieutenant	2	Legal Advisor	1
Sergeant	3		
Officer	4		

The department's current organizational structure is comprised of three divisions: the Management Division, the Operations Divisions and the Administrative Support Division.

The Management Division is comprised of those

units which are necessary for the effective direction and control of the police department by the Chief of Police. This division is headed by Chief B. Dean Leitner and consists of the Internal Affairs Unit, the Inspections Unit, the Technical Investigations Unit and the office of the Legal Advisor.

MANAGEMENT DIVISION

Internal Affairs Unit

This unit is staffed by one person, namely, Sergeant Thomas Casady. The functional responsibility of the unit is to police the conduct of individual police officers in their dealings with the public. Complaints of police misconduct are routed to this unit where they are thoroughly investigated. Complaints are accepted from any source inside, as well as outside, the department which apply to the department, any of its members, or any general orders of the police department. All findings and recommendations made during the course of an investigation are recorded and forwarded to the Chief of Police for final disposition.

Sgt. Casady

Some specific duties and responsibilities of the Internal Affairs Unit are:

1. At the scene inspection and investigation of firearms discharges at the direction of the Chief of Police.
2. Providing close coordination with the City Attorney and initiating investigations of civil claims and suits against the department and its personnel, when directed by the Chief of Police.
3. The maintenance of records of investigations.
4. Appearing before legislative and judicial bodies in those matters pertaining to the department's disciplinary policies and procedures at the direction of the Chief of Police.

Inspectons Unit

This unit is staffed by one person, Lieutenant James Hill. Inspections are a staff function at the management level for controlling means, methods and practices, identifying deviations and abuses and suggesting corrective action.

Included are investigations of improper administrative, as well as operational practices, and deviations from general orders which do not originate as a citizen complaint or improper conduct. The Inspections Unit's efforts are only to improve efficiency and compliance.

The Inspections Unit supplements, but does not replace, ordinary processes of control through management and supervision practices at each level of the organization. The unit is an additional mechanism for the control of practices which is outside and independent from the chain of command and able, therefore, to audit practices at any point or level in the organization.

Lt. Hill

MANAGEMENT DIVISION

Technical Investigations Unit

In view of the growing number of technical investigations that have developed over the past several years which require special investigative expertise and confidentiality beyond that of the traditional police model, the department has demonstrated a need for a unit to handle those cases under a tighter span of control.

Many of these investigations have been highly sophisticated and complex. The traditional approach to the management and distribution of information and investigative skills necessary for the successful conclusion to such cases is inappropriate. It is with this rationale in mind that the Technical Investigations Unit was formed in July of 1985.

Lt. Engle

Lieutenant Gary Engle is the unit commander and is assigned a staff of two sergeants and four officers. The unit is divided into two sections, each of which is supervised by a sergeant who is assigned two officers as investigators. The two units are designated as 'Vice' and 'White Collar.'

Duties include, but are not limited to: investigations of violations relating to banking statutes; embezzlement and frauds of \$2000 or more; non-profit lotteries (pickle cards/bingo); organized crime, gambling schemes; perjury; political bribery/corruption; computer crimes; extortion; liquor and vice; prostitution; designated internal investigations; and any other investigations assigned by the Chief of Police.

Legal Advisor

In view of the legal ramifications brought about by new legislation and many court rulings which have an impact on law enforcement decisions, the use of a legal advisor as a resource person is recognized by the department as being both valid and necessary.

John McQuinn

John McQuinn, a member of the City Attorney's Office staff, serves as the Lincoln Police Department Legal Advisor. His office is located at police headquarters where he functions directly with the department in such matters as the processing of warrants, handling questions of legality concerning police activity and providing update information on new legislation and court rulings.

OPERATIONS DIVISION

Authorized Positions 11

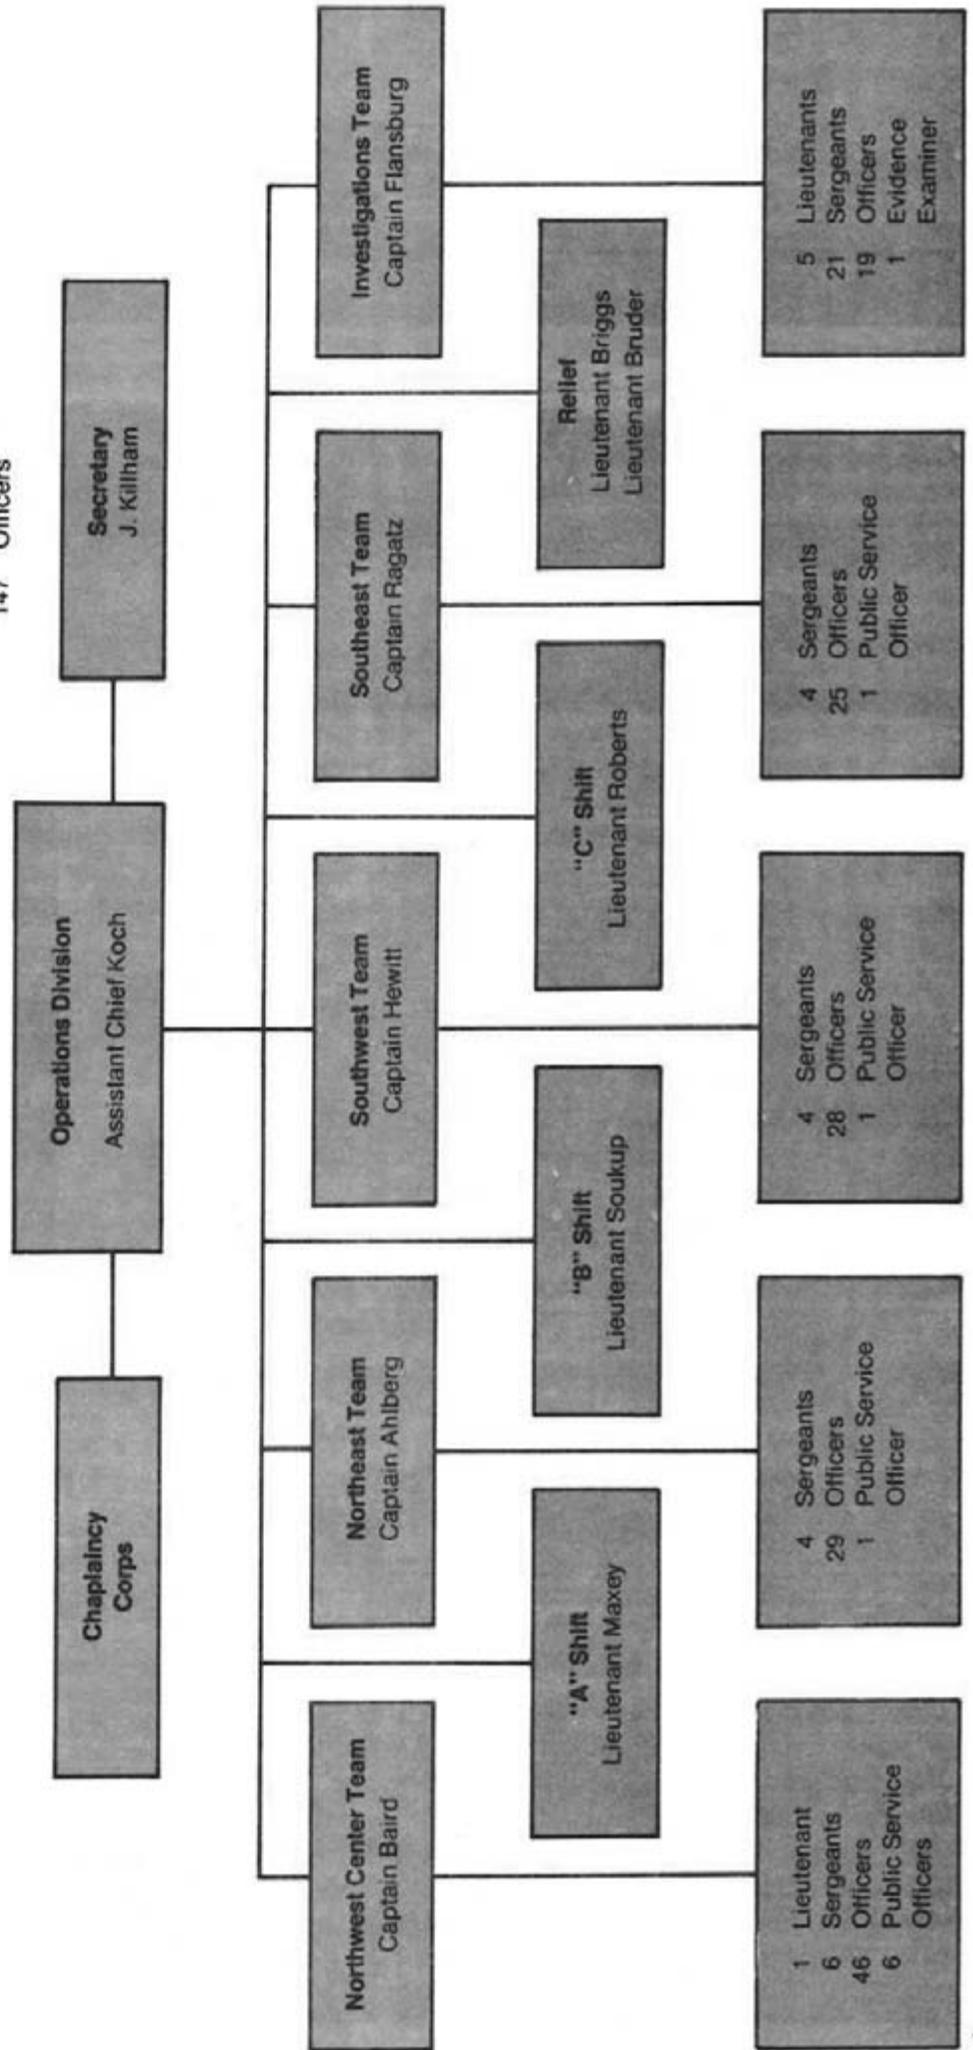

Authorized Positions 203

Non-Commissioned

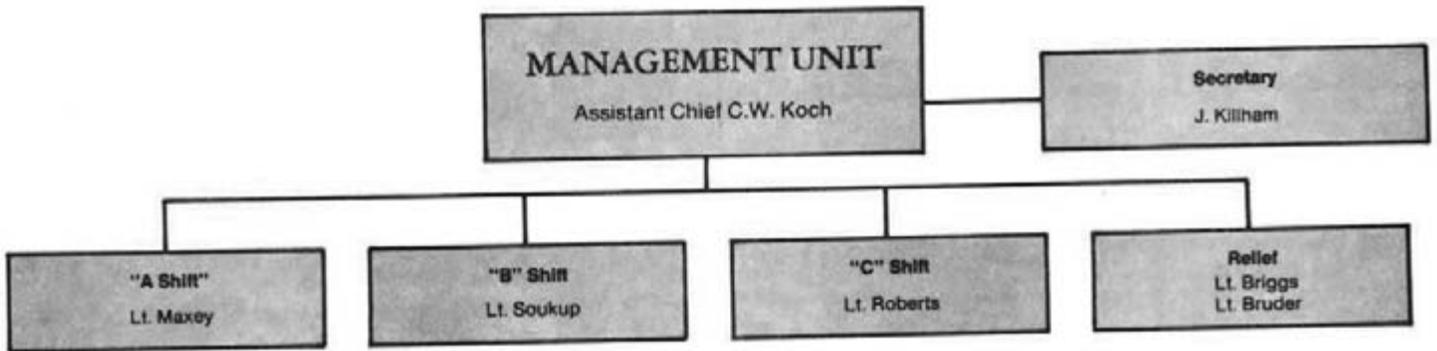

- 9 Public Service Officers
- 1 Clerk Steno III
- 1 Evidence Examiner

Commissioned

- 1 Assistant Chief
- 5 Captains
- 11 Lieutenants
- 39 Sergeants
- 147 Officers

OPERATIONS DIVISION

Assistant Chief Clifton W. Koch heads the Operations Division which consists of personnel in five (5) teams. The five teams are the four Community Police Teams and one Investigations Team. Each of the five teams is managed by a team captain. The teams handle all line functions of the police department including calls for police service, criminal investigations, patrol, traffic safety, crime and community relations. In addition, a Management Team consisting of five lieutenants report directly to Assistant Chief Koch and are responsible as duty commanders to cover police operations.

* Commissioned Duty Chaplain = Liaison
 ** Board Member
 *** Commissioned Duty Chaplain & Board Member

The Operations Division coordinates the Lincoln Chaplaincy Corps. Chaplains are members of Lincoln's clergy who donate their time to participate in a formal program through which their abilities as counselors and mediators are being used to help solve community problems where law enforcement is not an appropriate remedy. Chaplains serve regular tours of duty in a specially marked, fully equipped police vehicle. Officers handling a problem they feel could be aided by the abilities of the duty chaplain call on him for assistance.

Chaplains have been particularly valuable in assisting with alcohol related problems, death notices, drug abuse, acute depression, mental problems, family arguments, problems with the elderly and juveniles, suicide attempts, and in providing comfort to victims of crime.

In addition to on-scene assistance, the duty chaplain often arranges follow-up care and assistance where it

is needed through the various churches, community organizations and social service agencies.

The Lincoln Chaplaincy Corps has police and fire department responsibility. Chaplain assistance is often required for those victims displaced by fire and other disasters requiring the fire department's response.

There are currently twenty three (23) duty chaplains in the corps. There are seven (7) chaplains and three (3) non-members of the clergy who make up the board of directors. The ten member board meets on a monthly basis. The current senior chaplain is J. Robert Birdwell.

Captain Edward Ragatz of the Lincoln Police Department and Assistant Chief Dale Boettcher of the Lincoln Fire Department serve as liaison between the Lincoln Chaplaincy Corps and their respective agencies.

COMMUNITY POLICE TEAMS

Community Police Teams

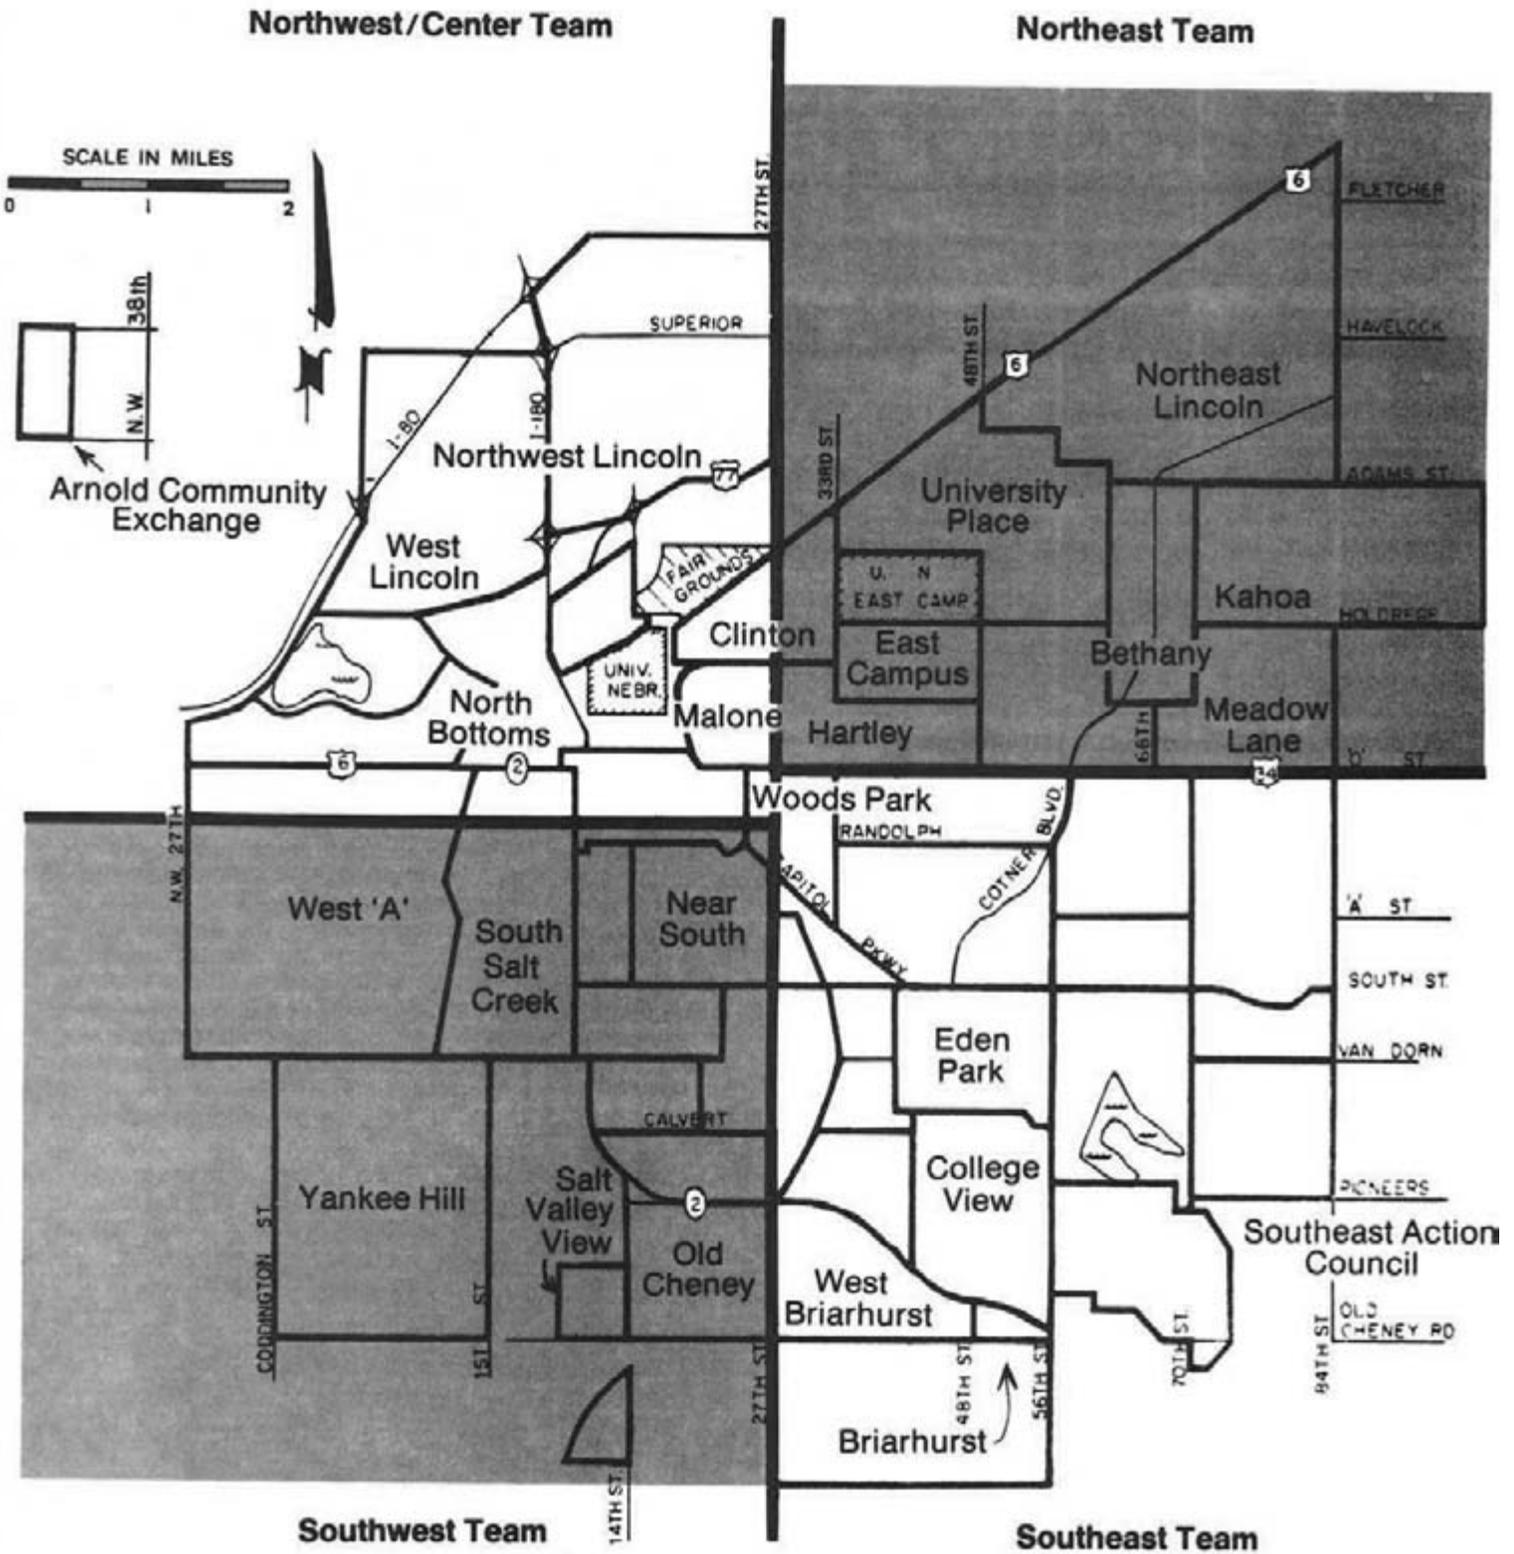

The four (4) Community Police Teams are the backbone of the department's field operations. The boundaries of the team areas are shown on the accompanying map.

The number of generalist officers assigned to each team varies from 25 to 46. Four (4) to five (5) sergeants are assigned to each team. They function as immediate supervisors to the team officers and report directly to the captain of their respective team.

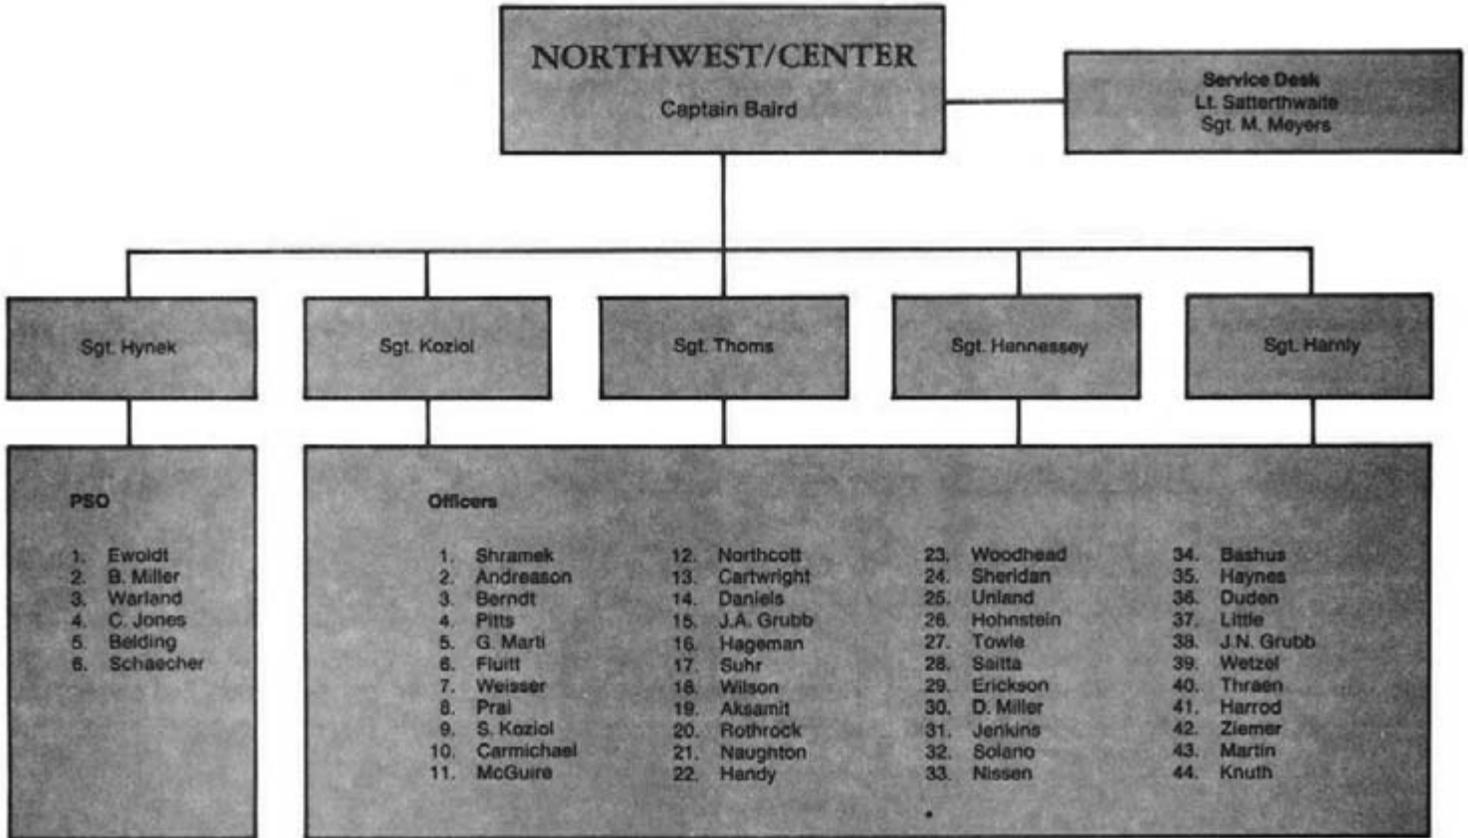

Each team provides basic police services to its area on a 24-hour a day basis, including crime prevention and control and traffic enforcement.

COMMUNITY POLICE TEAM AREAS

OPERATIONS DIVISION

Captain James A. Baird heads the Northwest/Center Team which has an authorized strength of fifty four (54) commissioned officers and six (6) public service officers. This team area covers 19.2 square miles, has 10,343 dwelling units and a population of approximately 31,839.

Included within the team area are the downtown business district; the main campus of the University of Nebraska; the fairgrounds; the airport; as well as many community neighborhood areas, among which are the Malone, the North Bottoms and the Clinton areas.

The street boundaries of the Northwest/Center area are 27th Street and 'K' Street. (See preceding map for display of team boundaries and neighborhood areas).

The Service Desk operation at police headquarters is included as part of the Northwest/Center Team. It operates on a 24-hour basis, seven days per week. Lt. William Satterthwaite is supervisor of the Service Desk area. Unit responsibilities include, but are not limited to, handling phone calls, messages and citizen walk-in inquiries, taking police reports on certain minor offenses and citizen vacation checks, and paging personnel in the headquarters building.

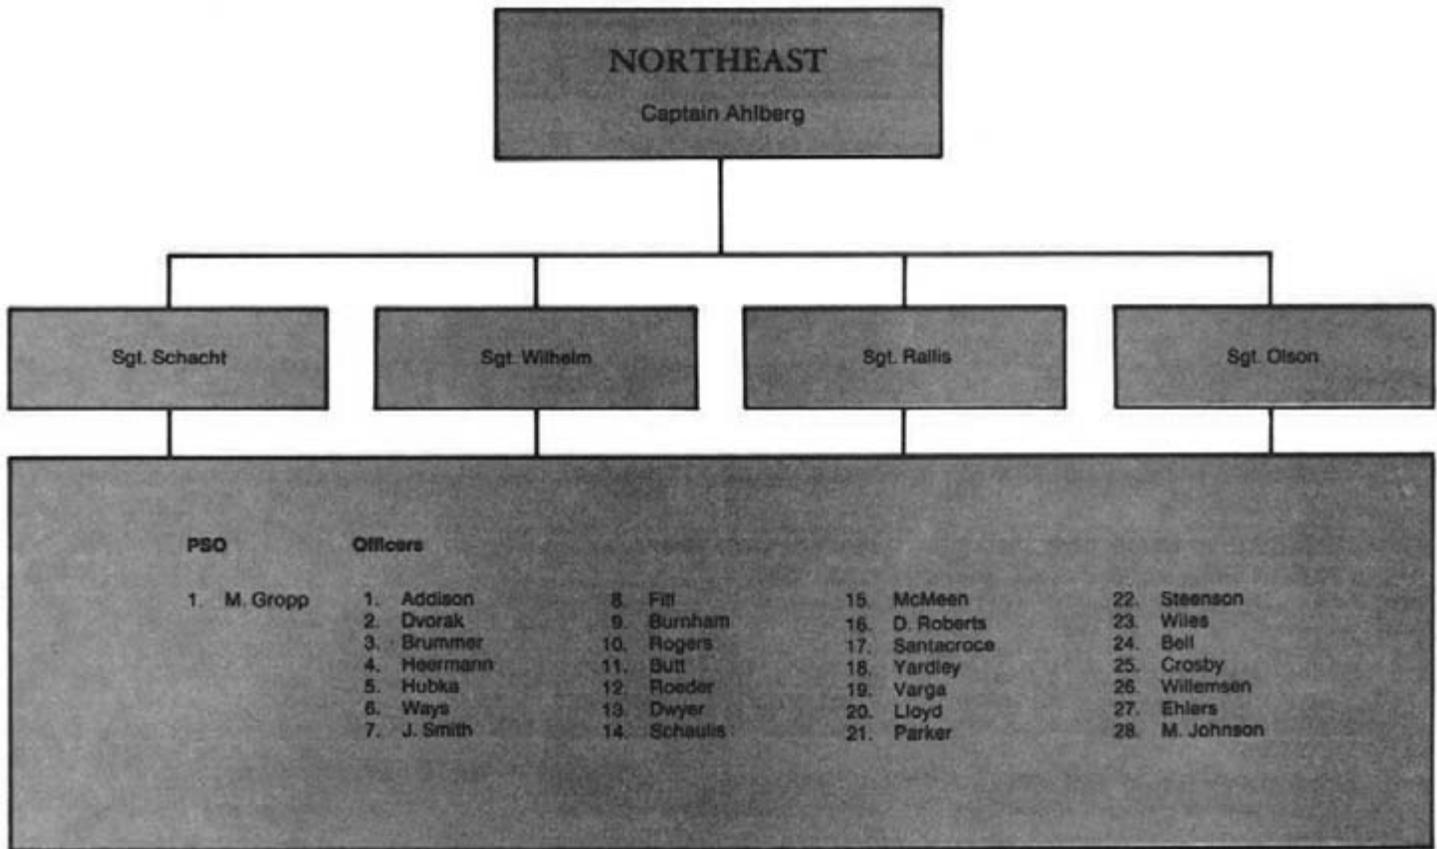

Captain Baird

Lt. Satterthwaite

OPERATIONS DIVISION

Captain Douglas A. Ahlberg heads the Northeast Team which has an authorized strength of thirty four (34) commissioned officers and one (1) public service officer. This area covers 13.9 square miles, has 18,588 dwelling units and a population of approximately 46,013.

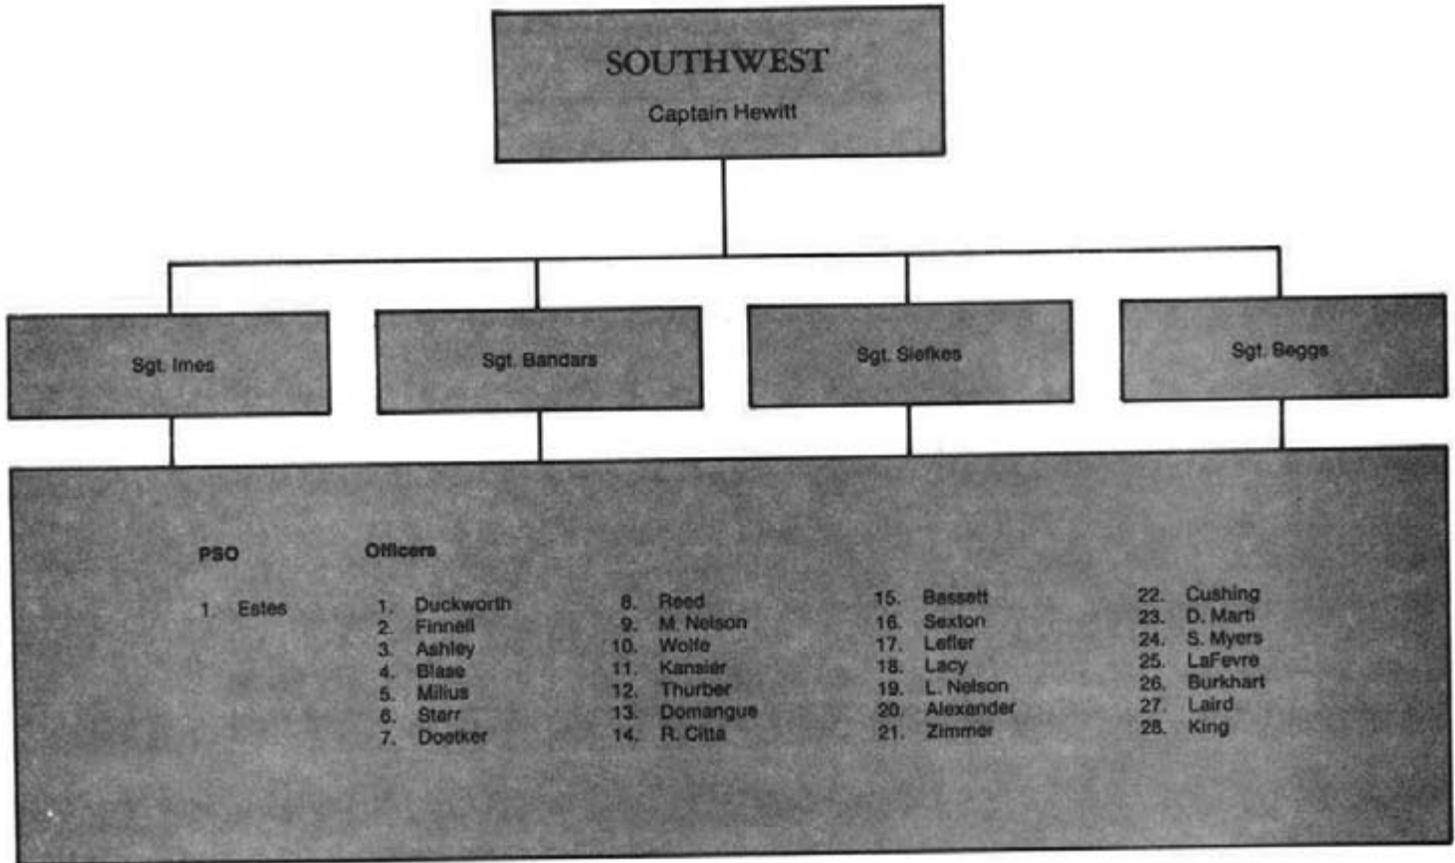

Included within the team area are several major shopping areas; local neighborhoods such as Havelock, Bethany, University Place, Clinton and Hartley. The east campus of the University of Nebraska and Nebraska Wesleyan University campus are also located within the Northeast Team.

The street boundaries of the Northeast Team are 27th Street and 'O' Street. (See preceding map for display of team boundaries and neighborhood areas).

Captain Ahlberg

OPERATIONS DIVISION

Captain John J. Hewitt commands the Southwest Team which has an authorized strength of thirty three (33) commissioned officers and one (1) public service officer. This team area covers 10.2 square miles, has 17,542 dwelling units, and a population of approximately 43,912.

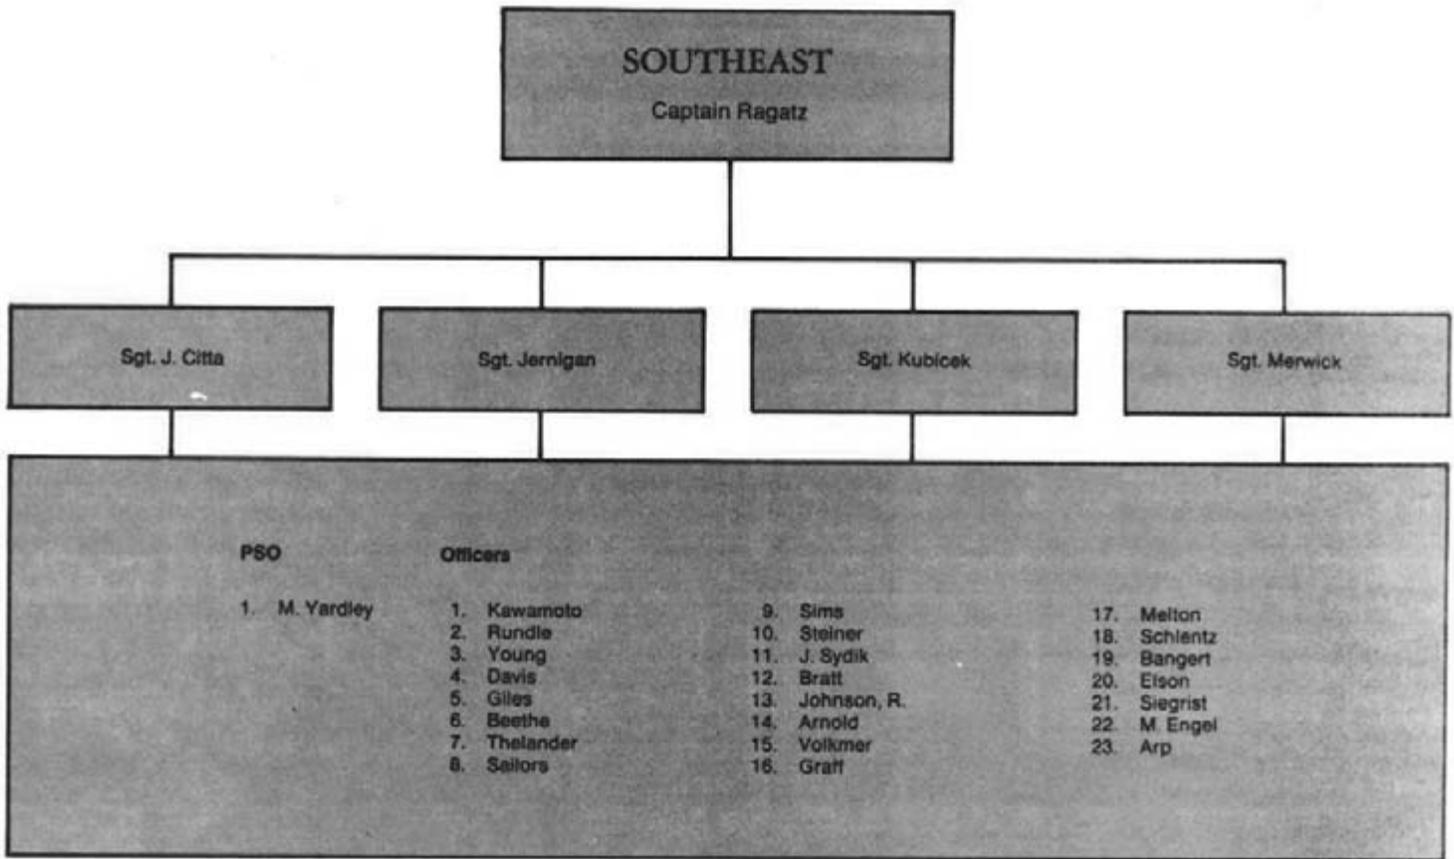

The majority of the team area consists of residential and multiple dwelling units as well as several community shopping areas. There are numerous parks in the area which include Pioneer and Wilderness parks.

The street boundaries of the Southwest Team are 27th Street and 'K' Street. (See preceding map for display of team boundaries and neighborhood areas).

Captain Hewitt

OPERATIONS DIVISION

Captain Edward M. Ragatz commands the Southeast Team which has an authorized strength of thirty (30) commissioned officers and (1) public service officer. This team area covers 16.8 square miles, has 24,171 dwelling units and a population of approximately 59,586.

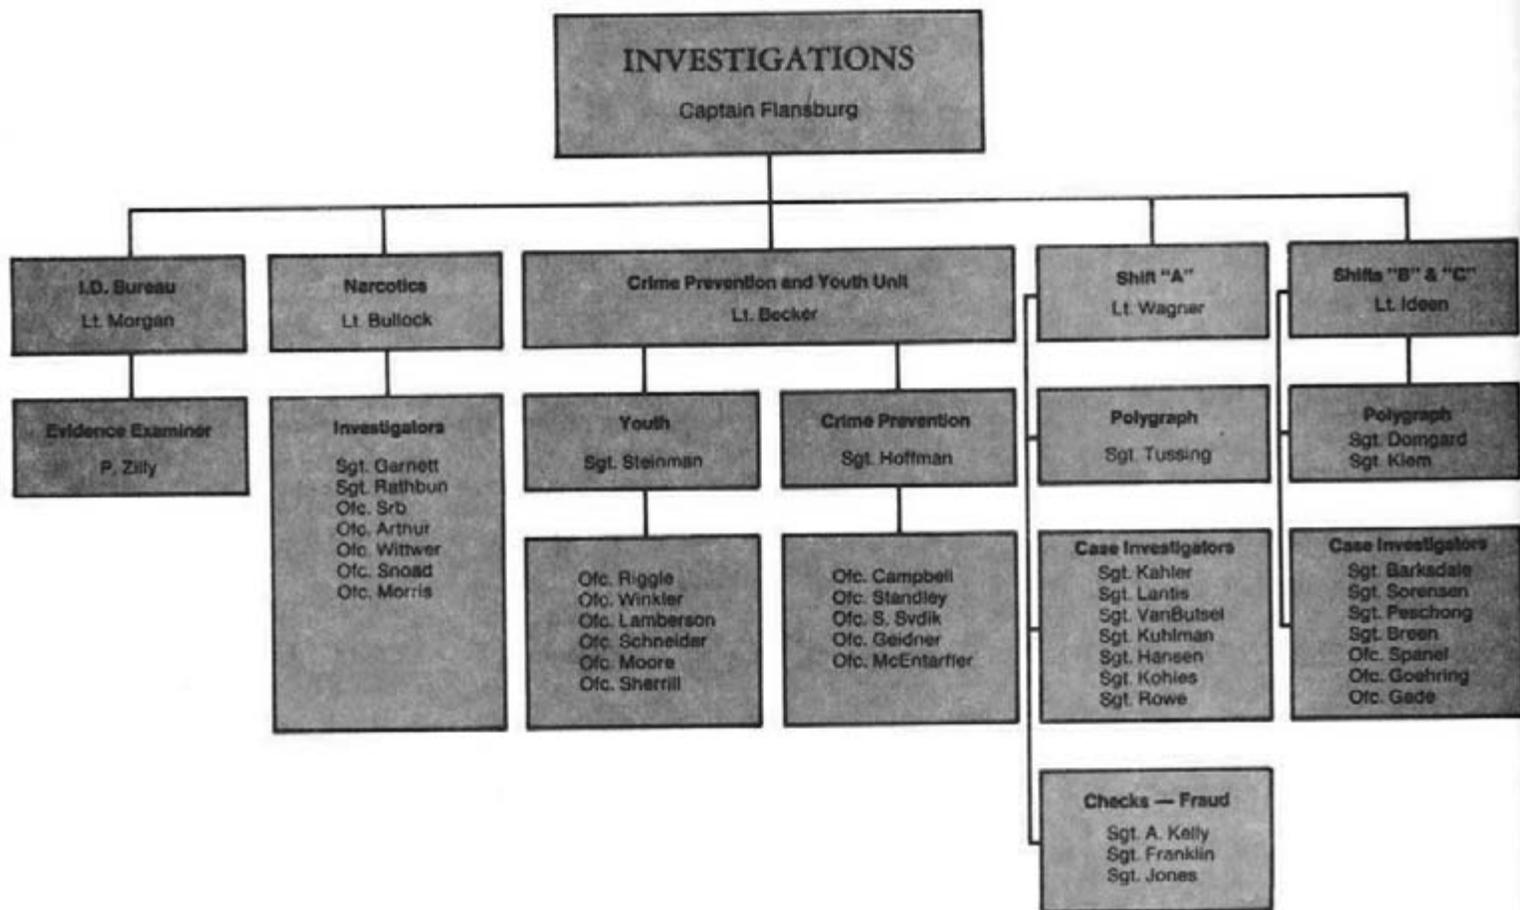

The Southeast Team includes the College View business district and many shopping centers, Union College, the Veteran's hospital, St. Elizabeth's hospital, Bryan hospital and several neighborhood areas.

The street boundaries of the Southeast Team are 27th Street and 'O' Street. (See preceding map for display of team boundaries and neighborhood areas).

Captain Ragatz

OPERATIONS DIVISION

Captain Ronald D. Flansburg is commander of the Investigations Team. The four community police teams are supported in investigations by this team. It is composed of crime specific specialists. While primary responsibility for the investigation of most crime falls on the community police team officer in whose beat the crime occurred, officers seldom have the time to become involved in long extended investigations and sometimes lack the special skills necessary to complete an investigation. In these cases, the officer usually calls for assistance from the Investigations Team. It is often the team member's function to take over much of the investigation of the complicated or serious cases.

The Investigations Team includes the Identification Unit, Narcotics Unit, Crime Prevention Unit, Youth Aid Unit, Case Investigators, Checks and Frauds Unit, Polygraph examiners and a hypnotist.

While the predominant function of most units within this team is investigative in nature, the primary function of the Crime Prevention Unit involves public information responsibilities.

Captain Flansburg

OPERATIONS DIVISION

Identification Unit

The Identification Unit is staffed by Lieutenant Marvin L. Morgan who is an expert in fingerprint and handwriting identification and forensic photography. He is assisted by evidence examiner, Pam Zilly.

Lt. Morgan

This unit handles all fingerprint cards processed by the police department, routing them routinely to the FBI for entry in national fingerprint files.

All matching of latent fingerprints found at crime scenes with fingerprints on file is done in this office. It also handles handwriting comparisons and the matching of suspect descriptions to the photographs of known offenders on file.

Narcotics Unit

Lieutenant Duaine R. Bullock heads the Narcotics Unit. He has a staff of two (2) sergeants and five (5) officers who are investigators.

The primary function of this unit is to identify and develop cases against major suppliers of narcotics in the Lincoln area and also assisting team officers in their narcotics investigations.

In September of 1981, Chief Leitner initiated a departmental goal to increase enforcement of narcotics and dangerous drug laws, and as a result, the unit was reorganized. In March of 1982, it became apparent that individuals living outside the city limits of Lincoln were also contributing to the drug problems within the city. Through an agreement reached by Chief Leitner, the Lancaster County Sheriff, and the Chief of the University of Nebraska police department, the narcotics units of the three departments were combined to form a Lancaster County Narcotics Unit under the direction of a Lincoln Police Department commanding officer, Lieutenant Bullock. The unit's area of enforcement is that of the entire county.

Lt. Bullock

Since the unit was funded in September, 1981 through 1985, narcotics officers have investigated 3743 cases, arrested 835 felons and 1810 misdemeanants. They have seized \$2,187,171 worth of substances, \$283,134 in property and \$64,948 in cash for a total of \$2,535,253. As a result of case disposition, \$22,364 has been returned to the City in restitution.

OPERATIONS DIVISION

Crime Prevention and Youth Aid Unit

Lieutenant John J. Becker heads the Crime Prevention and Youth Aid units. He has a staff of one (1) sergeant and six (6) officers assigned to the crime prevention section of the unit. One (1) sergeant and five (5) officers are assigned to the Youth Aid section of the unit.

Crime Prevention

The Crime Prevention Unit was organized in September, 1981 to meet City administration and departmental goals to reduce crime through citizen involvement. The unit is responsible for maintaining existing crime prevention programs, such as Neighborhood Watch, Business Watch, Senior Alert, Personal Awareness, Operations Identification and Home & Business Security Surveys. This unit is also responsible for the development of new crime prevention programs.

Since inception of the program through the year 1984, there are a total of 1572 Neighborhood Watch groups which have been organized and are functioning, covering 17,036 dwellings, or 24% of Lincoln's dwelling units. In addition, there are twenty-four (24) organized Business Watch groups, covering 725 businesses throughout the city. The Downtown Business Watch Group has formed an independent business watch association to work with the Lincoln Police Department to have the entire downtown business area involved in Business Watch.

Youth Aid

The Youth Aid Unit has been charged with the responsibility of coordinating all youth related activities of the police department.

Specifically, the unit has been given several areas of primary responsibility. First, the unit handles all intake and appropriate referrals for those youth, ages 7 to 15, who are contacted for a law violation, and who formally enter the juvenile justice system. Secondly, it coordinates abuse and neglect cases investigated by the department. This can involve investigation as well as follow-up on serious incidents. Youth Aid officers are responsible for the coordination of all missing persons in the city, including juvenile runaways.

Youth Aid officers are assigned to specific schools in the city to serve as a resource to that school. This capacity varies from making classroom presentations, to helping resolve service problems that involve law violations.

Lt. Becker

OPERATIONS DIVISION

Shift Supervisors

Lieutenant Lee Wagner has charge of the case investigators, the Checks and Fraud Unit and the Polygraph Unit on the 'A' shift. Lieutenant Kenneth L. Ideen is in charge of the case investigations and the Polygraph Unit on the 'B' and 'C' shifts.

Case Investigators

This unit has a total of eleven (11) sergeants and three (3) officers. Unit members conduct some primary investigation and provide investigative assistance and follow-up on the types of cases which are not the specific assigned responsibility of another investigations team unit.

Polygraph Unit

The Polygraph Unit is staffed with three (3) sergeants who administer polygraph examinations which are case investigation related, as well as employment related. Members of this unit also function as case investigators.

Checks and Fraud Unit

The Checks and Fraud Unit is staffed with three (3) sergeants who, in many instances, conduct the primary investigation on checks and fraud cases, as well as perform the majority of the follow-up work on such cases for the department.

ADMINISTRATIVE DIVISION

Assistant Chief Allen L. Curtis heads the Administrative Division which consists of ten (10) units involving fifteen (15) commissioned officers and sixty one (61) civilians.

This division is the source of all non-operational support to the community police teams and the investigations team. It provides the vehicles, equipment, communications and record keeping facility which make field operations possible, and contributes to the effective management of the department's resources.

In addition to his budget and other fiscal responsibilities, Assistant Chief Curtis has direct charge of Personnel and Training, Data Processing, the Planning Unit, and the Victim/Witness Unit.

Captain Peter L. Larimer has responsibility for a variety of administrative functions which include, but are not limited to, being in charge of Property and Supply, the Records Unit, the Crime Analysis-Intelligence Unit, the Warrants Unit, the Court Unit, and the Fleet Management Unit; and providing assistance on department budget-related activity.

Assistant Chief Curtis

Captain Larimer

ADMINISTRATIVE DIVISION

Records Unit

Lieutenant Jerry L. Smith directs the operation of the Records Unit. The unit files, stores and manages all of the operational records of the department including all accident and criminal reports. Its 23.5 personnel handle nearly 200,000 separate reports each year. In conjunction with the Data Processing Unit, much of this record keeping function is converted to a computer-based operation, and a substantial portion of the remaining paper records are reduced to microfilm for convenience in storage and handling.

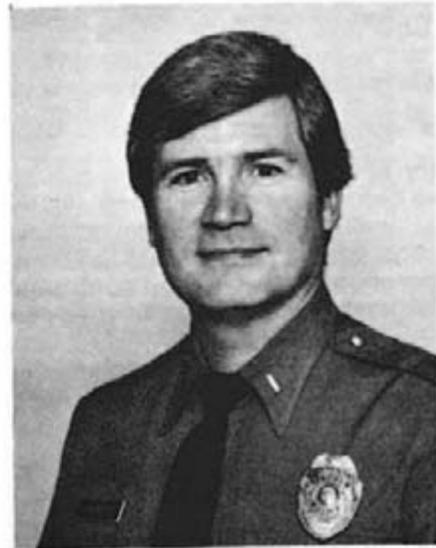

Lt. Smith

Personnel and Training Unit

Lieutenant John D. Packett directs the personnel and training function of the unit. Staffing and training of all personnel in the department is the primary responsibility of this unit. All potential police recruits are screened and tested by personnel of the unit. Based on these tests, recommendations are made to the Chief of Police.

The unit is also responsible for the conduct of recruit and in-service training and career development of departmental personnel. Lincoln presently has one of the only advanced in-field recruit training programs in the nation and perhaps the single most comprehensive in-service training program, including a six-month field training program for newly appointed officers.

Lt. Packett

Data Processing Unit

Clair E. Lindquist directs the activities of this unit which is staffed by two (2) civilians. The unit is responsible for the continuing conversion of much of the police records system into an automated process which is compatible with and a part of the City/County-wide CJIS system. The department's automated law enforcement information system is approximately 85% complete and functioning. This conversion has greatly speeded up information flow within the department, facilitating both its field operations and administrative effectiveness.

C. Lindquist

ADMINISTRATIVE DIVISION

Crime Analysis-Intelligence Unit

Sergeant William H. Larsen is in charge of this unit. It manages and controls the crime analysis, case follow-up and intelligence functions for the police department. In addition, the unit serves as the contact point for the City's Crime Stopper program and also processes and investigates all applicants for licenses and permits issued by the City, excluding liquor license applicants.

The primary purpose of the unit is to serve an integrative function; that is, it overcomes some of the difficulties created by decentralization of police services, such as coordination of cases and information crossing team boundaries. It serves as a central location for receiving and dispersing of information both internally and externally.

Sgt. Larsen

The Crime Stopper program is geared to reward public involvement in the fight against crime. It offers cash rewards of up to \$1,000 and anonymity to the citizens who furnish information leading to the arrest and charging of the offender and the recovery of stolen property. Since its inception in September of 1980 through the year 1985, Crime Stoppers has received 2406 calls, cleared 780 cases, produced 502 arrests, recovered \$1,190,052 in stolen property, contraband and drugs. All funding of Crime Stoppers is by tax deductible donations from companies, organizations and private citizens. No tax dollars are used by Crime Stoppers.

Planning Unit

Lieutenant Ernest A. Berry heads this unit which performs most of the planning, program development statistical support and evaluation conducted at the departmental level and supports other units on their own lower level unit planning/evaluation efforts. Planning works with other City and County agencies and community groups in those instances where planning or program development is a multi-agency project.

Lt. Berry

ADMINISTRATIVE DIVISION

Property and Supply Unit

Doris J. King is manager of the unit. Custody of all evidence gathered by the police department is reposed in the Property, Supply and Evidence Unit.

In addition, this unit handles requisition and distribution of equipment and material necessary for the functioning of the department.

It is the unit's responsibility to ensure an effective means by which property can be secured and accounted for, thereby preserving the property integrity and chain of evidence. Every reasonable effort is made to return property to its rightful owner, when appropriate. The unit also coordinate's vehicle and other property auctions and is responsible for the destruction of contraband when no longer needed as court evidence.

Doris King

Fleet Management Unit

Jerry H. Robb is the unit manager. He has a staff of seven (7) mechanics, four (4) servicemen and one (1) operations clerk. The fleet manager is responsible for the control of all department vehicles. He assigns vehicles on an equitable basis between teams and units of the department, consistent with the efficient and effective use of the police fleet.

Preventive maintenance, vehicle repair, distribution of mileage evenly among vehicles, and the general appearance of the police fleet are also the responsibility of this unit.

Jerry Robb

ADMINISTRATIVE DIVISION

Warrants Unit

Sergeant John W. Kerns heads the Warrants Unit. The unit is responsible for entering and receiving Law Enforcement Telecommunications System (LETS) messages on wanted persons and stolen property, and for maintaining a file on same. Computer terminal activity statistics show that when total LETS messages sent and received are combined, the Lincoln Police Department terminal is the most active in the state.

Sgt. Kerns

In addition, unit members maintain an active hand file on all department warrants; provide information and verification on local and national warrants to officers; provide case status information, as well as vehicle registration and driving record information to officers; conduct other field support activities such as contacting wrecker services and other businesses, and coordinate a variety of other information.

Victim/Witness Unit

Shirley J. Kuhle is administrator of the unit and has a staff of one (1) paraprofessional and a group of volunteers. The unit provides assistance for victims or witnesses of certain crimes handled within the jurisdiction of the Lincoln Police Department, Lancaster County Sheriff's Office, University of Nebraska Police and the Nebraska State Patrol.

It provides public education to citizens on crime prevention information and advertises the availability of remedial services. Victim counseling intended to address the immediate and long term emotional and social service needs of the crime victim is given which alleviates some of the immediate burden placed on the police.

Shirley Kuhle

Witness services are geared to improve victim and witness participation in the criminal justice process by providing basic information (how the system works, how to find the courtroom, where to park, etc.), case information (when to appear, how the case has progressed), witness management services (such as case status calls and standby telephone alerts), and related support including waiting facilities, child care and transportation. Financial remuneration through the state, including assisting victim with compensation forms and property return is provided.

1985 AWARD RECIPIENTS

Meritorious Conduct

Awarded for a heroic deed and exceptional meritorious conduct involving exemplary courage, risk and danger to their personal safety. May be awarded for meritorious service in a duty of great responsibility, the duty reflecting excellence in such performance which distinguishes the officer and the department in carrying out the assignment

Officer Michael D. Martin

Officer Patrick L. McGuire

Life Saving

Awarded for saving a human life. This award may also be made where evidence indicates that the actions prolonged human life to the extent of the victim being released to the care of medical authorities, even though the victim may have expired at a later time.

Officer Larry R. Bratt

Sergeant Joy L. Citta

Officer Chris L. Laird

Officer Patrick L. McGuire

Lieutenant Jonathan T. Briggs

Officer Sara L. Koziol

Officer Michael D. Martin

Certificate of Merit

Awarded for excellence in police work, outstanding performance of duties under unusual, complicated or hazardous conditions over any period of time. It is awarded to officers of any rank or civilian member. This award is not given in conjunction with another award for the same service or deed.

Officer Michael S. Basset

Sergeant Thomas K. Casady

Officer John E. Cripe

Officer Curtis L. Hibdon

Officer Donald J. Naughton

Sergeant Marlin E. Rauscher

Officer Alan A. Berndt

Sergeant Joy L. Citta

Officer Thomas A. Duden

Officer Jerry E. Lowe

Officer Larry C. Nelson

Officer Steven L. Standley

Certificate of Civic Achievement

Awarded to members of the department, civilian and sworn personnel, who bring favorable recognition to the department through their involvement in civic affairs while acting in the capacity as a member and representative of the department. This award is also available to those who qualify for retirement from the department.

Officer Kerry D. Crosby

Annual Police Officer of the Year

In January of each year, the team and support unit commanders forward to the Meritorious Conduct Board the name of an officer they are nominating who has contributed in an outstanding and exemplary manner the preceding year. The board picks the recipient who is also awarded the Certificate of Merit.

Officer Steven L. Standley
