Crossing the Digital Divide

Aging Partners Victory Park

600 S. 70th St., Dining Room

Monday, May 20 and Tuesday, May 21

5:30 to 8 p.m.

Adults age 60 and over are invited to attend this free two-night presentation led by Ryan Sothan, Outreach Coordinator with the Nebraska Attorney General's Office. Space is limited to the first 50 people to sign up. Participants are required to attend both nights.

Reservations must be made by calling 402-441-7158.

The two-night event will discuss tools to effectively address the most popular phone and computer-based scams including identity theft, the nation's number one consumer complaint. Topics include safe browsing, secure banking, online shopping and payment systems, monitoring and protecting your credit, and cybersecurity. The focus will be on the benefit of using technology as a tool to stay connected, make life easier and increase the quality of our lives.

The first session on May 20 will review the Scams and Fraud Education (SAFE) Annual Update, which raises awareness around the top ten scams impacting Nebraskans with a strong emphasis on imposter scams via phone, text message and email, as well as identity theft. Upon completion, participants will be given the State Attorney General's Office's Consumer Protection Kit, which includes their books, "Recognize and Report Scams" and "Identity Theft: A Consumer Guide."

The May 21 Tuesday night session will focus on the core competencies seniors need to know to help better defend themselves against potential scams related to online banking and shopping, checking and protecting your credit, and the basics of cybersecurity.

A box supper will be provided on both nights. There is no charge, but reservations are required in advance. For more information or to make your reservation, call 402-441-7158.
