For more information on any Aging Partners Personal and Family Services, call 402-441-7070.

Home health care providers make necessary medical and personal care available to elderly, disabled, ill or convalescing individuals in their own homes. These agencies can employ the full spectrum of care that includes RNs, LPNs, CNAs and home health aides. They also contract with physical, occupational and speech therapists to provide other skilled treatment as ordered by a physician. Services include bathing, wound care, medication setup and reminders, companionship, respite care, housekeeping, laundry, meal preparation and incidental transportation or escort to doctor appointments or shopping. Each agency has a minimum of hours required for service—be sure to ask before hiring.

Check with the agency regarding the type of payment accepted. Some only accept private pay. Others will bill private insurance, and accept Medicare, Medicaid or Medicaid Waiver as payment. Ask about hourly rates, background checks and tax coverage of employees.

★ - Participate in Medicaid Waiver Program.
