APPROVING A ONE-YEAR LEASE AGREEMENT BETWEEN THE CITY AND THE HICKMAN PRESBYTERIAN CHURCH FOR THE LEASE OF SPACE BY THE LINCOLN AREA AGENCY ON AGING FOR ITS ACTIVAGE CENTER PROGRAM AT 300 E. 3RD STREET, HICKMAN, NE.

- Dan Marvin, Council Member, asked why the Council approves issues for as little as $480?

Dana Roper, City Attorney, stated it was because it is a lease & the Charter states when we are leasing property the Council must approve it. We proposed an Interlocal to the County that would allow these to be done without coming to Council, but the County has not been inclined to adopt the Interlocal.

This matter was taken under advisement.

STREET NAME CHANGE 05008 - RENAMING WEST PEMBERLY LANE LOCATED NORTH FROM HIGHLAND BOULEVARD IN BARON’S RIDGE ADDITION AS NORTHWEST PEMBERLY LANE - Ray Hill, Planning Dept., came forward to answer any questions.

STREET VACATION 05011 - VACATING THE EAST SEVEN (7) FEET OF 23RD STREET BETWEEN VINE AND U STREETS - Mike Morosin, 2055 “S” Street, came forward to ask what the purpose and benefit of this vacation was since parking was already a problem in this area.

Ray Hill, Planning Dept., stated this vacation will not change the street configuration at all. The right-of-way is larger than the typical residential street and they are vacating a portion of it to allow for the completion of the redevelopment project between 23rd & 24th Street.

Patti Newman, Council Member, asked Mr. Hill to address the sidewalk issue.

Mr. Hill stated the sidewalk issue is resolved so there are sidewalks serving the entire block.

This matter was taken under advisement.

CLERK Read the following resolution, introduced by Annette McRoy, who moved its adoption:

A-83697

WHEREAS, the Lincoln YWCA has submitted an application pursuant to Chapter 14.56 of the Lincoln Municipal Code to use certain portions of the public right-of-way at various sites in Lincoln for the placement of 22 pieces of sculpture and other forms of art commissioned as part of the YWCA’s StarArt project for a period from January 2006 through April 2006; and

WHEREAS, said application has been reviewed by the Public Works Department and the Urban Design Committee which have recommended approval of said application.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska:

That the application of the Lincoln YWCA, hereinafter referred to as Permittee, for a permit to install 22 pieces of sculpture and other forms of art as part of the YWCA’s StarArt project upon portions of the public right-of-way at various locations in Lincoln as set out on the attached site maps is approved pursuant to Chapter 14.56 of the Lincoln Municipal Code subject to the following conditions:

a. That such space shall only be used for the works of art specified on the permit in accordance with the requirements of Chapter 14.56.

b. That such use is temporary and that the user requires no right, title, or interest in the space permitted to be used.

c. That the space granted hereunder shall be vacated upon demand by the City Council and its use discontinued by the Permittee, with no recourse against the City for any loss or damage occasioned by any such requirement.

d. That if any such space not be vacated and such use not be discontinued by the time specified, the City may remove from such space any work left thereon at the risk and expense of the Permittee.

e. That the permit issued pursuant to this Section is a personal privilege and may not be transferred or alienated voluntarily or involuntarily.

f. No advertising shall be permitted on any work of art except to identify the work, the name of the artist, and donor of the work of art, and shall in all respects comply with the provisions of Titles 22 and 27 of this Code regulating signage.

g. The work of art shall be located only in the exact location described in the application.

h. The Permittee shall be responsible for any damage or repairs to public property caused by the installation or removal of any work of art.

i. All installations shall be under the supervision of the City Sidewalk Inspector and the City Sidewalk Inspector shall determine the method of placement of the work of art or any supporting, anchoring, or enclosing structure for the work of art requiring placement in the sidewalk or other right-of-way surface.

j. The Urban Development Department shall monitor the condition of the work of art. The Permittee shall be responsible for properly maintaining the work of art so as to preserve its quality and value.

k. The Permittee shall be responsible for any authorized removal or pruning of trees or shrubs and such work shall only be done by a licensed and insured arborist.

The Permittee shall sign and return the City's letter of acceptance to the City Clerk prior to placement of the works of art in the public right-of-way.

MARVIN Moved to accept a substitute resolution for Bill No. 05R-297.

Seconded by McRoy & carried by the following vote: AYES: Camp, Cook, Eschliman, Marvin, McRoy, Newman, Svoboda; NAYS: None.

CLERK Read the following resolution, introduced by Dan Marvin, who moved its adoption:

WHEREAS, Apple’s Way, LLC/Uno Properties has submitted the preliminary plat of Apple’s Way Addition for acceptance and approval together with a request to waive the requirements of the Land Subdivision Ordinance and Design Standards for Land Subdivision Regulations in order to allow lots that do not front on a public street or private roadway in the B-2 District, to allow lot lines not perpendicular to a street, to waive sidewalks along Highway 2, to waive sidewalks along the north side of McIntosh Road and McIntosh Circle, and to approve an alternate location of public sanitary sewer and water mains on property generally located at South 66th Street and Highway 2; and

WHEREAS, the Lincoln City-Lancaster County Planning Commission held a public hearing on November 9, 2005 and adopted Resolution No. PC-00960 which conditionally approved Preliminary Plat No. 05016; and

WHEREAS, applicant has appealed the action of the Lincoln City-Lancaster County Planning Commission and is requesting the elimination of condition 1.a.iii. (condition 1.1.4 in the staff report) to the preliminary plat which requires the Permittee to shown how the required detention capacity is maintained when the unidentified street at the southwest corner of the plat is built while maintaining the stand of trees which the developer had reached agreement upon with the Country Meadows Homeowners Association, and condition 1.b.ii. (condition 1.2.2 in the staff report) to the preliminary plat which requires a right-turn lane in Highway 2 at S. 66th Street as 200 feet long and to label the access as right-in-right-out only; and

WHEREAS, the Applicant and the City Administrator have agreed to revised conditions of approval regarding condition 1.a.iii. and condition 1.b.ii.; and

WHEREAS, inclusion of condition 1.a.iii. and 1.b.ii. in the conditional approval of the Apple’s Way Preliminary Plat by the Lincoln City – Lancaster County Planning Commission should be modified.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lincoln, Nebraska that the preliminary plat of Apple’s Way Addition, generally located at South 66th Street and Highway 2 as submitted by Apple’s Way, LLC/Uno Properties is hereby accepted and approved, subject to the following terms and conditions:

1. After the subdivider completes the following instructions and submits the documents and plans and 6 copies to the Planning Department, the preliminary plat will be signed by the Chair of the Planning Commission certifying approval:
   a. Revise the preliminary plat as follows:
      i. Show sidewalks along both sides of McIntosh Circle and McIntosh Lane unless the subdivider’s
waiver request is approved by the City Council.

iii. Show easements per the L.E.S. review.

iii. Show how the required detention capacity is maintained when the unidentified street of the southwest corner of the plat is built, while maintaining the stand of trees which the developer had reached agreement upon with the Country Meadows Homeowners Association. Show the street easement in the southwest corner of the subdivision exiting from the roundabout to avoid any conflict with the detention cell. If the connecting road is constructed to South 56th utilizing the street easement, the City shall accept the street identified as Apple’s Way within the subdivision as a public street with all the maintenance responsibilities therefor. The roundabout, the street easement, and the detention cell shall be configured as shown on Exhibit “A” attached and incorporated by this reference.

iv. Label all the roads in the B-2 and R-1 zones as private roadways.

v. Dimension and number all lots and add a note that all lot lines are approximate.

vi. Revise the General Notes to match those on the approved plan for Apple’s Way PUD.

vii. Revise the landscape plan on Sheet 5 of 5 to show all the required landscape screen between the B-2 and R-1 districts located in the B-2 district for that area located south of Empire Lane. Add a note that the landscape screen between the B-2 and R-1 districts located north of Empire Lane shall be located to provide the best screening effect due to the slope. All of the landscape screen shall be maintained by the owners of the B-2 zoned land or an association of such owners.

viii. Remove the designation for “Possible Sign Location” at the southeast corner of the site which is outside the boundary of the plat.

ix. Revise the note “175’ Drive Setback” in the B-2 district to read “175’ Setback to Parking and Driveways.”

b. Make corrections to the reasonable satisfaction of Public Works and Utilities which shall be limited to:

i. Extend the sanitary sewer to Highway 2 in a location that allows for the further service of upstream area north of Highway 2.

ii. Revise the plan to show the right-turn lane in Highway 2 at South 66th Street as 200 feet long and the subdivider shall be responsible for the cost of constructing 150 feet and the City shall be responsible for the cost of constructing 50 feet.

2. Final Plats will be approved by the Planning Director after:

a. The required improvements are completed or a surety is posted to guarantee the completion of the public streets, private roadway improvements, sidewalks, sanitary sewer system, water system, drainage facilities, land preparation and grading, sediment and erosion control measures, storm water detention/retention facilities, drainageway improvements, street lights, landscaping screens, street trees, temporary turnaround and barricades, and street name signs.

b. The subdivider has signed an agreement that binds the subdivider, its successors and assigns:

i. to complete the street paving of public streets shown on the final plat within two (2) years following the approval of the final plat.

ii. to complete the paving of private roadway shown on the final plat within two (2) years following the approval of this final plat.
iii. to complete the installation of sidewalks as shown on the final plat within four (4) years following the approval of the final plat.

iv. to complete the public water distribution system to serve this plat within two (2) years following the approval of the final plat.

v. to complete the public wastewater collection system to serve this plat within two (2) years following the approval of the final plat.

vi. to complete the enclosed public drainage facilities shown on the approved drainage study to serve this plat within two (2) years following the approval of the final plat.

vii. to complete the enclosed private drainage facilities shown on the approved drainage study to serve this plat within two (2) years following the approval of the final plat.

viii. to complete land preparation including storm water detention/retention facilities and open drainageway improvements to serve this plat prior to the installation of utilities and improvements but not more than two (2) years following the approval of the final plat.

ix. to complete the installation of public street lights within this plat within two (2) years following the approval of the final plat.

x. to complete the installation of private street lights within this plat within two (2) years following the approval of the final plat.

xi. to complete the planting of the street trees a within this plat within four (4) years following the approval of the final plat.

xii. to complete the installation of the street name signs within two (2) years following the approval of the final plat.

xiii. to complete any other public or private improvement or facility required by Chapter 26.23 (Development Standards) of the Land Subdivision Ordinance in a timely manner which inadvertently may have been omitted from the above list of required improvements.

xiv. to complete the public and private improvements shown on the preliminary plat.

xv. to maintain and supervise the outlots and the private facilities which have common use or benefit on a permanent and continuous basis, and to recognize that there may be additional maintenance issues or costs associated with providing for the proper functioning of stormwater detention/retention facilities as they were designed and constructed within the development and these are the responsibility of the Subdivider. Subdivider further agrees to retain ownership of or the right of entry to the outlots in order to maintain the outlots and private improvements on a permanent and continuous basis. However, the Subdivider may be relieved and discharged of such maintenance obligations only upon creating, in writing, a permanent and continuous association of property owners who would be responsible for said permanent and continuous maintenance subject to the following conditions:

(a) Subdivider shall not be relieved of Subdivider’s maintenance obligation for each specific private improvement until a registered professional engineer or nurseryman who supervised the installation of said private improvement has certified to the City that the improvement has been installed in accordance with approved plans; and

(b) The maintenance agreements are incorporated into covenants and restrictions in deeds to the subdivided
property and the documents creating the association and the restrictive covenants have been reviewed and approved by the City Attorney and filed of record with the Register of Deeds.

xvi. to properly and continuously maintain and supervise the private facilities which have common use or benefit, and to recognize that there may be additional maintenance issues or costs associated with providing for the proper functioning of storm water detention/retention facilities as they were designed and constructed within the development, and that these are the responsibility of the land owner.

xvii. to continuously and regularly maintain the street trees along the private roadways and landscape screens.

xviii. to comply with the provisions of the Land Preparation and Grading requirements of the Land Subdivision Ordinance.

xix. to submit to the Director of Public Works a plan showing proposed measures to control sedimentation and erosion and the proposed method to temporarily stabilize all graded land for approval.

xx. to submit to the lot buyers a copy of the soil analysis.

xxi. to protect the trees that are indicated to remain during construction and development.

xxii. to relinquish the right of direct vehicular access from those Lots and Outlots adjacent to Highway 2.

xxiii. to pay all design, engineering, labor, material, inspection, and other improvement costs.

BE IT FURTHER RESOLVED that:

1. The requirement in Section 26.23.140(g) of the Lincoln Municipal Code that every lot shall front upon and have access to a public street is waived for those lots located in the B-2 zoning district.

2. The requirement in Section 26.23.140(c) of the Lincoln Municipal Code that the side lot lines of any lot shall be at right angles to the street is waived for those lots which do not meet this standard as shown on the preliminary plat.

3. The requirement in Section 26.23.095 of the Lincoln Municipal Code that sidewalks be installed along all streets abutting the preliminary plat is waived along Highway 2.

4. The requirements in Section 3.4 of the Sanitary Sewer Design Standards and in Section 3.2 of the Water Main Design Standards that sanitary sewers and water mains shall be located outside of the roadway and 3.5 feet from the back of the curb are hereby waived in order to allow said sanitary sewers and water mains to be located in alternate locations approved by the Department of Public Works and Utilities.

BE IT RESOLVED that:

1. The requirement in Section 26.23.140(g) of the Lincoln Municipal Code that every lot shall front upon and have access to a public street is waived for those lots located in the B-2 zoning district.

2. The requirement in Section 26.23.140(c) of the Lincoln Municipal Code that the side lot lines of any lot shall be at right angles to the street is waived for those lots which do not meet this standard as shown on the preliminary plat.

3. The requirement in Section 26.23.095 of the Lincoln Municipal Code that sidewalks be installed along all streets abutting the preliminary plat is waived along Highway 2.

4. The requirements in Section 3.4 of the Sanitary Sewer Design Standards and in Section 3.2 of the Water Main Design Standards that sanitary sewers and water mains shall be located outside of the roadway and 3.5 feet from the back of the curb are hereby waived in order to allow said sanitary sewers and water mains to be located in alternate locations approved by the Department of Public Works and Utilities.

ESCHLIMAN I make a motion to direct staff to send letters disclosing to individuals who are in the flood prone areas that they are in the flood prone areas; and, to provide information to these individuals stating that it is possible that you could be flooded and where and who you can call or write or a website to get a hold of flood insurance if you wish to do so.

This same information should be provided when the property is taken out of the flood prone areas as well. There should be an education program for real estate agents to make customers and clients aware.

Seconded by Camp & carried by the following vote: AYES: Camp, Cook, Eschliman, Marvin, McRoy, Newman, Svoboda; NAYS: None.

FURTHER DISCUSSION:

NEWMAN This motion would pertain to 89 homes and 16 businesses.

ROPER This motion would apply to land owners.

ESCHLIMAN Title holders.

FLECK-TOOZE FEMA maps being updated and published would trigger removal of properties from the flood prone areas and notice to land owners relating to the lack of need for insurance and would show proof of such lack of need to the insurer.
