

**25TH STREET & SALTILLO ROAD
CONDITIONAL ANNEXATION AND ZONING AGREEMENT
(TEMPLETON and DEVRIES)**

This 25th Street & Saltillo Road Conditional Annexation and Zoning Agreement ("Agreement") is made and entered into this ____ day of _____, 2006, by and between **Gary L. Templeton** and **Rose Templeton**, husband and wife, hereinafter referred to as "Templeton"; **Clark E. DeVries** and **Lisa J. DeVries**, husband and wife, hereinafter referred to as "DeVries"; and the **City of Lincoln, Nebraska**, a municipal corporation, hereinafter referred to as "City." Templeton and DeVries, are hereinafter individually "Owner" and collectively referred to as "Owners."

RECITALS

A. The Owners own approximately 7.06 acres more or less of land generally located south of Saltillo Road between South 25th Street and the former Missouri Pacific Railroad right-of-way.

B. Templeton is the Owner of that portion of the Property legally described and shown on Exhibit "A", which is attached hereto and incorporated herein by this reference ("Templeton Property"). DeVries is the Owner of that portion of the Property as legally described and shown on Exhibit "A" ("DeVries Property"). The Templeton Property and DeVries Property are hereinafter referred to individually and collectively as the "Property."

C. The Owners have requested the City to annex the Property legally described and shown on Exhibit "A".

D. Owners have requested the City to rezone those portions of the Property as legally described in Exhibit "B", which is attached hereto and incorporated herein by this reference, from AG Agriculture District to I-1 Industrial District.

E. The Property is located within a rural fire protection district. Neb. Rev. Stat. § 35-514, dealing with the City's annexation of territory from rural fire protection districts, provides in part that: (7) Areas duly incorporated within the boundaries of a municipality shall be automatically annexed from the boundaries of the district notwithstanding the provisions of § 3 1-766 and shall not be subject to further tax levy or other charges by the district, except that before the annexation is complete, the municipality shall assume and pay that portion of all outstanding obligations of the district which would otherwise constitute an obligation of the area annexed or incorporated." The City is willing to annex the Property as requested by Owners, provided Owners agree to pay all costs needed for the City to assume and pay that portion of all outstanding obligations of the district which would otherwise constitute an obligation of the Property being annexed.

F. The Property is located in an area designated Tier II and outside the City's future

service limit in the City of Lincoln/Lancaster County Comprehensive Plan and is not expected to be developed before 2025. The Property is not served by water or sewer and the costs to design and construct such infrastructure are not shown in the City's current Capital Improvement Plan and the City is not willing to fund those costs. Therefore, as an inducement for the City to enter into this Agreement, the Owners are willing to agree to not request water and sewer service and to further agree to limit the use of the Property to uses not requiring City water and/or sewer.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties do agree as follows:

1. **Annexation by the City.** The City agrees to annex the Property.

2. **Change of Zone.** The City agrees to approve Change of Zone No. 06042 and rezone the Property from AG Agriculture District to I-1 Industrial District.

3. **Conveyance of Right-of-Way.**

A. Saltillo Road. Owners agree to convey at no cost to the City the right-of-way needed south of the centerline of Saltillo Road to provide right-of-way for Saltillo Road 60 feet in width.

B. South 25th Street. Templeton agrees to convey at no cost to the City the right-of-way needed east of the centerline of South 25th Street to provide right-of-way for South 25th Street 60 feet in width expanding to 70 feet in width at the intersection of South 25th Street and Saltillo Road.

Deleted: 65

C. Permanent Easements. The Owners agree to convey to the City the Saltillo Road and South 25th Street right-of-way described in Paragraph 3A and 3B above within sixty (60) days of the City's approval and execution of this Agreement.

Deleted:

D. Temporary Construction Easements. Owners shall convey at no cost to the City such temporary construction easements over their ownership of the Property abutting the right-of-ways as may be necessary for construction of future the street improvements to Saltillo Road and South 25th Street; provided that, the temporary construction easements will permit the Owners to make damage claims caused by future street improvements to any buildings, parking lots, driveways, landscaping materials and irrigation system located on the Property and will not permit the Owners to make damage claims caused by future street improvements to any signage, fencing and architectural entrance features located on the Property.

C. Final Design. Any changes to the existing driveway cut shall be subject to the approval of the City's Public Works Director.

5. **Street Improvements.**

7. **Land Use Restrictions.** Each Owner agrees that notwithstanding the City's rezoning the Property to I-1 Industrial District, the development of the Property will be subject to the following restrictions:

A. Prohibited Uses:

- (1) Until the City's public sanitary sewer system is available to the Property, land uses which require an open water discharge sewer treatment system are prohibited. In other words, the only permitted sewer system would be a non-discharge sewer treatment system (i.e., lagoon or septic system) as regulated by the County-City Health Department and the Nebraska Department of Environmental Quality.
- (2) The refining, distillation or manufacturing of: (a) acids or alcohols; (b) ammonia bleach or chlorine; (c) cement, lime, gypsum, or plaster of paris; (d) disinfectants; (e) dye stuffs; (f) fertilizer; (g) glue, sizing, or gelatin; (h) oil cloth, linoleum, oiled rubber goods; (i) paint, shellac, turpentine, or oils; (j) rubber, gutta-percha, balata, creosote, or products treated therewith; or (k) shoe polish.

(e) rolling mills; and (f) yeast plants.

- (4) Production, manufacturing, processing, distribution, storage, warehousing, or transportation of toxic, radioactive, flammable, or explosive materials, except that any of the above referenced materials may be stored or used in connection with a permitted use as allowed by any ordinance or regulation of the City of Lincoln as incidental to the permitted use.
- (5) Tanning, curing, or storage of raw hides or skins; stockyards or slaughter of animals or fowl; rendering fat; distillation of bones, coals or wood.
- (6) Dumping or reduction of garbage, offal, or dead animals.
- (7) Mining, quarrying.
- (8) Extraction of sand, gravel, or soil.
- (9) The milling, processing, refining, or distillation of agricultural crops.
- (10) Billboards.

8. **Public Sanitary Sewer.** Owners understand and acknowledge that the Property is not presently sewerable by the City's public sanitary sewer system and that the costs to design and construct such infrastructures are not shown in the City's current Capital Improvement Plan. Owners further understand that the City does not intend to extend its public sanitary sewer system to serve the Property within the next one to twenty-five years. Notwithstanding the lack of sewerability, Owners desire that the Property be immediately annexed into the City of Lincoln. Therefore as an inducement for the City to enter into this Agreement, Owners agree that Owners shall not request the City to provide Owners with sanitary sewer earlier than contemplated in the City of Lincoln/ Lancaster County Comprehensive Plan, as may be amended. In addition, as an inducement for the City to enter into this Agreement, Owners agree to restrict Owners' use of the Property to uses not requiring the City's public sanitary sewer until such City public sanitary sewer is made available to the Property,

In addition, as an inducement for the City to enter into this Agreement, Owners agree to restrict Owners' use of the Property to uses not requiring City's public water system until such City's public water system is made available to the Property.

10. **Contribution for Rural Fire District.** Owners understand and acknowledge that the City may not annex the Property lying within the boundaries of the Southwest Rural Fire District except by the City assuming and paying that portion of all outstanding obligations of the District which would otherwise constitute an obligation of the Property being annexed. Owners desire to be annexed by the City and therefore Templeton agrees to pay the amount of \$_____ and DeVries agrees to pay the amount of \$_____ which must be paid to the Southwest Rural Fire Protection District in order for the annexation to be complete.

11. **Future Cost Responsibilities.** Owners understand and acknowledge that the proposed development of the Property shall be subject to the payment of impact fees and Owners agree to pay said impact fees if development occurs. 16. **Interpretations.** Any uncertainty or ambiguity existing herein shall not be interpreted against either party because such party prepared any portion of this Agreement, but shall be interpreted according to the application of rules of interpretation of contracts generally.

17. **Construction.** Whenever used herein, including acknowledgments, the singular shall be construed to include the plural, the plural the singular, and the use of any gender shall be construed to include and be applicable to all genders as the context shall warrant.

18. **Relationship of Parties.** Neither the method of computation of funding or any other provisions contained in this Agreement or any acts of any party shall be deemed or construed by the City, Owners, or by any third person to create the relationship of partnership or of joint venture or of any association between the parties other than the contractual relationship stated in this Agreement.

19. **Assignment.** In the case of the assignment of this Agreement by any of the parties, prompt written notice shall be given to the other parties who shall at the time of such notice be furnished with a duplicate of such assignment by such assignor.
