RECOMMENDATION: For

STAFF RECOMMENDATION: For

OTHER DEPARTMENTS AFFECTED: None

SPONSOR: Health

OPPONENTS: None specifically identified

REASON FOR LEGISLATION

Resolution updating fees associated with LMC 24.38 Onsite Wastewater Treatment Systems, including: onsite wastewater treatment system construction permit; onsite wastewater system repair permit; liquid waste haulers cleaner's permit, registration certificate for master installer, journeyman installer, inspector, soil evaluator, and multiple category; permit extension fee; variance fee; reinstatement fee; and development area review fees which includes a base fee, per lot fee and a maximum combined base and per lot fee.

DISCUSSION / FINDINGS OF FACT:

Incremental fee increases are proposed for onsite wastewater treatment system permit fees; cleaner's permit fees; registration certificate for installers and development area review fees, which address operational costs. This revenue will allow the Department to provide required services, including plan reviews, inspections, education, and investigations to the onsite wastewater treatment system industry, and to protect the public from illness. This revenue is incorporated in the FY15 and FY16 proposed budgets.
