

FACTSHEET

TITLE: CHANGE OF ZONE NO. 15008
(South 84th Street & Pine Lake Road)

BOARD/COMMITTEE: Planning Commission

APPLICANT: Clark Enersen Partners, on
behalf of Eiger Corporation

RECOMMENDATION: Approval (7-0: Sunderman,
Harris, Beecham, Hove, Weber, Corr and Lust voting
'yes'; Scheer and Cornelius absent).

STAFF RECOMMENDATION: Approval.

OTHER DEPARTMENTS AFFECTED:

SPONSOR: Planning Department

OPPONENTS: None

REASON FOR LEGISLATION:

To change the zoning from AG Agricultural and AGR Agricultural Residential District to B-5 Planned Regional Business on property generally located at South 84th Street and Pine Lake Road.

DISCUSSION / FINDINGS OF FACT:

1. This change of zone request and the associated Use Permit No. 140E (Bill #15R-71) were heard at the same time before the Planning Commission.
2. The purpose of this change of zone is to re-zone a portion of the property from AG Agricultural and AGR Agricultural Residential District to B-5 Planned Regional Business near South 84th Street and Pine Lake Road to accommodate the development of an automated car wash and free-standing super store, on property generally located at South 84th and Pine Lake Road.
3. The staff recommendation to approve the change of zone is based upon the "Analysis" as set forth on p.4 for approval.
4. On April 1, 2015, this item was on the Planning Commission's Consent Agenda. The Planning Commission agreed with the staff recommendation and voted 7-0 to recommend approval of this change of zone request.
5. On April 1, 2015, the Planning Commission also voted 7-0 to recommend conditional approval of the associated Use Permit No. 140E (Bill #15R-71), to expand the limits of the existing use permit by approximately 17 acres to allow an automated car wash and an approximately 210,00 square foot free-standing super store on property generally located at South 84th and Pine Lake Road.

LINCOLN/LANCASTER COUNTY PLANNING STAFF REPORT

for April 1, 2015 PLANNING COMMISSION MEETING

PROJECT #: Change of Zone #15008

PROPOSAL: Change the zoning from AG Agriculture and AGR Agricultural Residential to B-5 Planned Regional Business

LOCATION: South 84th Street and Pine Lake Road

LAND AREA: AG to B-5 - Approximately 16.77 acres
AGR to B-5 - Approximately .7 acres.

CONCLUSION: The Comprehensive Plan designates this area for future commercial land uses, and it is also a designated location for a regional shopping center. It has been anticipated the B-5 zoning would eventually be expanded to include all the area bounded by South 84th and South 91st Streets, from the south side of Pine Lake Road to Highway 2, and this request is consistent with that. This request complies with the Zoning Ordinance and is in conformance with the Comprehensive Plan.

RECOMMENDATION:

Approval

GENERAL INFORMATION:

LEGAL DESCRIPTION: AG to B-5 - See attached legal description.
AGR to B-5 - See attached legal description.

EXISTING LAND USE: Undeveloped

SURROUNDING LAND USE AND ZONING:

North:	Vacant, Residential	AGR, R-3
South:	Vacant, Commercial	B-5
East:	Apartments (under construction)	B-5
West:	Church, Undeveloped	R-3, O-3

ASSOCIATED APPLICATIONS:

UP#140E - Expands the existing use permit by 17.47 acres to allow a 210,000 square foot retail store and an automated car wash.

HISTORY:

- Sep 2001 - PP#01006 for Appian Way Regional Center with 28 commercial lots and 8 outlots was approved.
- Nov 2001 - ANN#01006 annexing 245 acres into the City of Lincoln was approved.
- Nov 2001 - CZ#3320 changed the zoning on 98.8 acres east of relocated South 91st Street from AG to R-3.
- Nov 2001 - CZ#3285 changed the zoning on 146.3 acres between South 84th and relocated South 91st Street north of Highway 2 from AG to B-5.
- Nov 2001 - UP#140 for 825,400 square feet of commercial space, with the option to expand to 940,000 square feet provided that the total p.m. peak hour trips does not exceed 2,925 was approved.
- Oct 2002 - UP#140A was approved adjusting the required parking for Menards from 877 spaces to 729 spaces.
- Apr 2005 - UP#140B was approved expanding the Appian Way use permit by 24 acres for a six-screen movie theater complex.
- Apr 2009 - UP#140C was approved granting an adjustment to the required number of parking spaces to 650 for the home improvement store use on Lot 2, Block 1, Appian Way Addition.
- Jun 2014 - UP#140D was approved to allow 722 multiple-family dwelling units, with waivers to height and tandem parking, and deleted the approval of a six-screen movie theater complex.

COMPREHENSIVE PLAN SPECIFICATIONS:

Pg 1.9 - The Future Land Use Map designates the area for commercial land uses.

Pg 5.6 - This area is designated for a regional shopping center.

Pg 6.2 - Mixed Use Guiding Principles

-Occur on sites supported by adequate road and utility capacity.

-Be located and designed in a manner compatible with existing or planned land uses.

-Develop with substantial connectivity between developing or existing neighborhoods and developing or redeveloping commercial centers.

UTILITIES: All utilities are available to serve this area.

ANALYSIS:

1. This change of zone seeks to re-zone all of Outlot A, Appian Way 15th Addition to B-5, consistent with the adjacent shopping center. However, because the outlot has split zoning, this request has two parts. The first seeks to re-zone a 16.77 acre portion from AG to B-5, and the remaining .7 of an acre from AGR to B-5.
2. The Appian Way (since renamed as Prairie Lakes) Shopping Center was approved in 2001. Since that approval, the area of this request has been discussed and it has anticipated that it would eventually be re-zoned and developed as part of the larger center.
3. A portion of the old Pine Lake Road right-of-way extends along the majority of the north line of Outlot A. North of that lies Lot 81 I.T., under different ownership. Neither are part of this request. However, Lot 81 will need to be re-zoned and the right-of-way will need to be vacated before the land can be developed, which could be done independently or as part of the large center.
4. Re-zoned to B-5, this land area can be included in the Appian Way use permit. While any permitted use in the B-5 district would be allowed if this re-zoning is approved, the site plan associated with UP#140E shows this area developed with a 210,000 square feet retail 'super store', and an automated car wash. Both are allowed uses in the B-5 district and compatible with the surrounding development.
5. This request complies with the Zoning Ordinance and is consistent with the Comprehensive Plan.
