## PRESENT OR PREVIOUS COMMUNITY/VOLUNTEER ACTIVITIES

I currently work for Region V Systems Through my involvement with HSF, I worked on some of the following community activities: the "Do You Really See Me" homelessness awareness campaign; Helping to organize and promote the annual tri-state Nonprofit Summit; Helping to organize and attend the Nonprofit Legislative Reception and Advocacy Training; Arranging various BoardTalk Roundtable discussions; among many other various community activities which HSF is involved in. I am very well known in the nonprofit arena for my professionalism and am connected to many, many nonprofit leaders. I also attend all Community Services Initiative Coalition meetings, which focus on various Behavioral Health and education issues that affect the Lincoln community. (Hunger, drop out rates for LPS, to name a few.) My other experience comes from being a StarTran patron for over 10 years. I believe that I could bring some insight to the table through my personal experience. Serve on the Independence Center Advisory Committee
