REASON FOR LEGISLATION

TDP Phase One has submitted a request to amend the boundaries of the West Haymarket's Entertainment District to assist the City in allowing for Pinnacle Bank Arena and other public events to be held in R Street when appropriate.

DISCUSSION / FINDINGS OF FACT:

On June 17, 2013, the City passed Resolution A-87387, which established the boundaries of the Entertainment District in the area south of Pinnacle Bank Arena. The north boundary included R Street to the center line. This boundary has limited the ability of the Pinnacle Bank Arena to host SDL events for area non-profits within the R Street ROW. TDP Phase One has acknowledged this limitation and is requesting that the boundaries be amended to reduce the north boundary of the Entertainment District to the south curb line of R Street when not in use, but allow for Entertainment District SDL Events to use R Street to the North Curb line, if needed. This request is being submitted now to accommodate a fundraiser planned on August 5, 2016 by the Lincoln Haymarket Development Corporation, called "Haymarket in White." The dinner and dance fundraiser supports special projects and promotions in the Haymarket District, such as the Historic District Plaques, the Haymarket Clock, walking tour brochures, etc.
