Public Hearing: 9/12/16

Date Factsheet Prepared:

### FACTSHEET

**TITLE:** Village of Roca Recycling Drop-Off Site Interlocal Agreement **BOARD/COMMITTEE:** City Council

**APPLICANT:** Public Works & Utilities / Solid Waste Management Division **RECOMMENDATION:**

**STAFF RECOMMENDATION:** Approve **OTHER DEPARTMENTS AFFECTED:** Village of Roca

**SPONSOR:** Public Works and Utilities / Solid Waste Management Division **OPPONENTS:** None identified

#### REASON FOR LEGISLATION

Expand recycling drop-off services to the residents in and near Roca in Lancaster County.

#### DISCUSSION / FINDINGS OF FACT:

On September 27, 1993, the City of Lincoln and the Village of Roca entered an Interlocal Agreement for Solid Waste Management indicating that the two communities would work together regarding Solid Waste Management programs. The Village will under- take the capital improvements for a recycling center in their community estimated to cost \$20,000 and monitor the site on a regular basis. The City, through its current recycling contractor, will provide the recycling collection containers and service them on a regular basis. The City currently manages 28 multi-material recycling sites in Lincoln and Lancaster County. Eight of these sites are located outside the City of Lincoln. The addition of this location will bring the total recycling sites outside Lincoln to nine.
