Section 3.2. Details of Bonds; Authority of Finance Director.

(a) Each series of the Bonds shall be dated the Date of Original Issue for the respective series and shall be issued to the respective purchasers thereof, as Owners, in installments. Each series shall be issued as a single Bond.

(2) The Finance Director shall determine whether the costs requested for reimbursement under the Disbursement Request are currently reimbursable under the Redevelopment Agreement and the Redevelopment Law, and if so whether such costs are properly paid or reimbursed from proceeds of a specific series of Bonds (taking into account particularly the provisions of **Section 8.7** hereof and the provisions of the Federal Tax Certificate). Upon determination thereof, the Finance Director shall allocate such amount as proceeds of a series of Bonds advanced to pay such costs and evidence such allocation in writing and inform the Owners of each series of Bonds of any amounts allocated to each respective series of Bonds.

(3) Upon notification from the Finance Director as described in **Section 3.2(b)(2)**, deposits to the accounts in the Project Fund corresponding to the applicable series of Bonds may be made from time to time from funds received by the Finance Director from the Owners of the Bonds in the amounts necessary to pay amounts requested in properly completed, signed and approved written Disbursement Requests as described herein. Such amounts shall be proceeds of a series of the Bonds and the Finance Director shall inform the Registrar in writing of the date and amount of such deposits. The Registrar shall keep and maintain a record of the amounts allocated or deposited to the proper accounts of the Project Fund from each series of Bond proceeds pursuant to the terms of this Ordinance as “Principal Amount Advanced” and shall enter the

aggregate principal amount then Outstanding as the “Cumulative Outstanding Principal Amount” on its records maintained for the Bonds. The aggregate amount allocated or deposited to the Project Fund from proceeds of all series of Bonds shall not exceed \$11,663,514.00.

The City shall have no obligation to pay any Disbursement Request unless such request has been properly approved as described above, and proceeds of the applicable series of Bonds have been deposited by the respective Owners of the Bonds into the proper accounts of the Project Fund.

Notwithstanding anything in this Ordinance to the contrary, no proceeds of a Tax-Exempt series of Bonds shall be allocated or deposited to the Project Fund later than 3 years after the Date of Original Issue of such Tax-Exempt series of Bonds.

The records maintained by the Registrar as to principal amount advanced and principal amounts paid on the Bonds shall be the official records of the Cumulative Outstanding Principal Amount for all series of Bonds for all purposes.

(2) An opinion of Bond Counsel in a form and substance satisfactory to the Finance Director, dated as of the Date of Original Issuance of such series of Bonds, relating to the due authorization of such series of Bonds and the excludability of interest on such series of Bonds from gross income for federal income tax purposes;

(3) A signed investor’s letter in a form acceptable to the Finance Director and Bond Counsel; and

(4) Such additional certificates and other documents as the Finance Director or Bond Counsel may require.

(1) A signed investor’s letter in a form acceptable to the Finance Director and Bond Counsel; and

(2) Such additional certificates and other documents as the Finance Director or Bond Counsel may require.

aggregated with the Debt Service on all Bonds then Outstanding, exceeds the Revenue available for the payment of Debt Service on all Bonds then Outstanding and the principal amount to be issued.

(g) Interest on the Cumulative Outstanding Principal Amount of the Bonds from the respective Date of Original Issue of each series or the most recent Interest Payment Date to which interest has been paid or duly provided for on each respective series, is payable on each Interest Payment Date until the principal of the Bonds has been paid, whether at maturity or upon earlier redemption; provided, however, if any interest on any Bond is in default, such Bond shall bear interest from the date to which interest has been paid.

(h) Both the principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which on the respective dates of payment thereof is legal tender for the payment of public and private debts. Payments of interest on the Bonds due prior to maturity or earlier redemption and payment of any principal upon redemption price to maturity shall be made by check mailed by the Registrar on each Interest Payment Date to the Owners, at the Owners' address as it appears on the books of registry maintained by the Registrar on the Record Date. The principal of the Bonds and the interest thereon due at maturity or upon earlier redemption shall be payable upon presentation and surrender of the Bonds to the Registrar.

(i) In the event that payments of interest due on any Bond on an Interest Payment Date are not timely made, such interest shall cease to be payable to the Owner thereof as of the Record Date for such Interest Payment Date and shall be payable to the Owner as of a special record date for payment of defaulted interest to be designated by the Registrar whenever money for the purpose of paying such defaulted interest becomes available.

(j) The Bonds shall be executed by the manual signatures of the Mayor and Finance Director of the City and the original, official seal of the City shall be impressed or printed thereon. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if s/he had remained in office until such delivery, and each Bond may be signed by such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

(k) The Finance Director is hereby authorized to hereafter, from time to time, specify, set, designate, determine, establish and appoint, as the case may be, and in each case in accordance with and subject to the provisions of this Ordinance, (1) the Date of Original Issue, the principal amount of each Bond in accordance with **Section 3.2(a)** and the series designation thereof, (2) the maturity date of each series of Bonds, which shall be not later than December 1 of the year that is fifteen (15) years after the effective date as defined in the Redevelopment Agreement, applicable to such series of Bonds, (3) whether a series of Bonds shall be issued as Taxable Bonds or Tax-Exempt Bonds and the rate of interest per annum to be carried by Bonds of such series in accordance with the first paragraph of **Section 3.1** and (4) any other term of the Bonds not otherwise specifically fixed by the provisions of this Ordinance.

(l) Any Bond issued upon transfer or exchange of any other Bond shall be dated as of the Interest Payment Date next preceding the date of registration thereof in the offices of the Registrar, unless such date of registration shall be an Interest Payment Date, in which case it shall be dated as of such date of registration; provided, however, that if, as shown by the records of the Registrar, interest on such Bond shall be in default, the Bond in lieu of the Bond surrendered for transfer or exchange may be dated as of the date to which interest has been paid in full on the Bond surrendered; and provided further, that if the date of registration shall be prior to the first Interest Payment Date, the Bond shall be dated of its Date of Original Issue.

(m) When any portion of any Bond shall have been duly called for redemption and payment thereof duly made or provided for, interest thereon shall cease on the principal amount of such Bond so redeemed from and after the date of redemption thereof.

(n) The Bonds shall be issued to the respective Owners thereof as shall be mutually agreed between the Redeveloper and the Finance Director for a price equal to 100% of the principal amount thereof. No Bond shall be delivered to any Owner unless the City shall have received from the Owner thereof such documents as may be required by the Finance Director to demonstrate compliance with all applicable laws, including without limitation compliance with **Section 3.6** hereof. The City may impose such restrictions on the transfer of any Bond as may be required to ensure compliance with all requirements relating to any such transfer.

Section 3.4. Appointment of Registrar. The Registrar is hereby appointed the registrar and paying agent for the Bonds. The City reserves the right to remove the Registrar upon 30 days' notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and the Bonds in its possession to the successor Registrar and shall deliver the bond register to the successor Registrar. Section 3.5. Exchange of Bonds. Any Bond, upon surrender thereof at the principal office of the Registrar, together with an assignment duly executed by the Owner or its attorney or legal representative in such form as shall be satisfactory to the Registrar, may, at the option of the Owner thereof, be exchanged for another Bond in a principal amount equal to the principal amount of the Bond surrendered or exchanged, of the same series and maturity and bearing interest at the same rate. The City shall make provision for the exchange of the Bonds at the principal office of the Registrar.

Section 3.6. Negotiability, Registration and Transfer of Bonds. The Registrar shall keep books for the registration and registration of transfer of the Bonds as provided in this Ordinance. The transfer of the Bonds may be registered only upon the books kept for the registration and registration of transfer of the Bonds upon (a) surrender thereof to the Registrar, together with an assignment duly executed by the Owner or its attorney or legal representative in such form as shall be satisfactory to the Registrar and (b) evidence acceptable to the City that the assignee is a bank or a qualified institutional buyer as defined in Rule 144A promulgated by the Securities and Exchange Commission. In all cases in which any Bond shall be exchanged or a transfer of a Bond shall be registered hereunder, the City shall, at the earliest practicable time, execute and deliver a Bond in accordance with the provisions of this Ordinance. The Bond surrendered in any such exchange or registration of transfer shall forthwith be canceled by the Registrar. Neither the City nor the Registrar shall make a charge for the first such exchange or registration of transfer of any Bond by any Owner. The City or the Registrar, or both, may make a charge for shipping, printing and out-of-pocket costs for every subsequent exchange or registration of transfer of such Bond sufficient to reimburse it or them for any and all costs required to be paid with respect to such exchange or registration of transfer. Neither the City nor the Registrar shall be required to make any such exchange or registration of transfer of any Bond during the period between a Record Date and the corresponding Interest Payment Date.

Section 3.7. Ownership of Bonds. As to any Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of and interest on such Bond and the interest on any such Bond shall be made only to or upon the order of the Owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

Section 3.8. Disposition and Destruction of Bonds. The Bonds, upon surrender to the Registrar for final payment, whether at maturity or upon earlier redemption, shall be canceled upon such payment by the Registrar and, upon written request of the Finance Director, be destroyed.

Section 3.9. Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond becomes mutilated or is lost, stolen or destroyed, the City shall execute and deliver a new Bond of like date and tenor as the Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the City. In the case of any lost, stolen or destroyed Bond, there first shall be furnished to the City evidence of such loss, theft or destruction satisfactory to the City, together with indemnity to the City satisfactory to the City. If any such Bond has matured, is about to mature or has been called for redemption, instead of delivering a substitute Bond, the City may pay the same without surrender thereof. Upon the issuance of any substitute Bond, the City may require the payment of an amount by the Owner sufficient to reimburse the City for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith.

Section 3.10. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due and payable as therein and herein provided, whether at the stated maturity thereof or call for optional or mandatory redemption or otherwise, if funds sufficient to pay such Bond have been made available to the Registrar all liability of the City to the Owner thereof for the payment of such Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Registrar to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on their part under this Ordinance or on, or with respect to, said Bond. If any Bond is not presented for payment within five years following the date when such Bond becomes due, the Registrar shall repay to the City the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then

only to the extent of the amount so repaid to it by the Registrar, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

REDEMPTION OF BONDS

Section 4.1. Redemption of Bonds. The Bonds are subject to redemption at the option of the City prior to the maturity thereof at any time as a whole or in part from time to time in such principal amount as the City shall determine, at a redemption price equal to 100% of the principal amount then being redeemed plus accrued interest thereon to the date fixed for redemption.

Section 4.2. Redemption Procedures. The Finance Director is hereby authorized, without further action of the Council, to call all or any portion of the principal of the Bond for payment and redemption prior to maturity on such date as the Finance Director shall determine, and shall deposit sufficient funds in the Debt Service Account from the Surplus Account to pay the principal being redeemed plus the accrued interest thereon to the date fixed for redemption. The Finance Director may effect partial redemptions of any Bond without notice to the Owner and without presentation and surrender of such Bond, but total redemption of any Bond may only be effected with notice to the Owner and upon presentation and surrender of such Bond to the Registrar. Notice of a total redemption of any Bond shall be sent by the Registrar by first-class mail not less than five days prior to the date fixed for redemption to the Owner's address appearing on the books of registry maintained by the Registrar and indicate (a) the title and designation of the Bond, (b) the redemption date, and (c) a recitation that the entire principal balance of such Bond plus all accrued interest thereon is being called for redemption on the applicable redemption date.

Section 4.3. Determination of Outstanding Principal Amount of Bonds. Notwithstanding the amount indicated on the face of any Bond, the principal amount of such Bond actually Outstanding from time to time shall be determined and maintained by the Registrar. The Registrar shall make a notation in the books of registry maintained for each Bond indicating the original principal advance of such Bond as determined in accordance with **Section 3.2** and make such additional notations as are required to reflect any additional principal advances or redemptions of such Bond from time to time, including on the Table of Cumulative Outstanding Principal Amount attached to each Bond if it is presented to the Registrar for that purpose. Any Owner may examine the books of registry maintained by the Registrar upon request, and the Registrar shall grant such request as soon as reasonably practicable. Any failure of the Registrar to record a principal advance or a redemption on the Table of Cumulative Outstanding Principal Amount shall not affect the Cumulative Outstanding Principal Amount shown on the records of the Registrar.

ARTICLE V

REFUNDING BONDS

Section 5.1. Refunding Bonds. Refunding Bonds may be issued at any time at the direction of the Finance Director for the purpose of refunding (including by purchase) any Bond or any portion thereof, including amounts to pay principal and interest to the date of maturity or redemption (or purchase) and the expenses of issuing the Refunding Bonds and of effecting such refunding; provided that the Debt Service on all bonds to be outstanding after the issuance of the Refunding Bonds shall not be greater in any Fiscal Year than would have been the Debt Service in such Fiscal Year were such refunding not to occur.

ARTICLE VI

EFFECTIVE DATE OF PROJECT; PLEDGE OF REVENUE

Section 6.1. Effective Date of Project. For purposes of Section 18-2147, Reissue Revised Statutes of Nebraska, as amended, the effective date of the Project shall be determined in the manner provided in the Redevelopment Plan and as set forth in the Redevelopment Agreement. The Finance Director is hereby directed to notify the Assessor of the effective date or date of each portion of the Project on the form prescribed by the Property Tax Administrator.

Section 6.2. Collection of Revenue; Pledge of Revenue. As provided for in the Redevelopment Plan, and pursuant to the provisions of the Redevelopment Law, for the period contemplated thereby, the Tax Revenue collected in the Project Area shall be allocated to and, when collected, paid into the Special Fund along with any Project Revenue collected under the terms of this Ordinance to pay the principal of and interest on the Bonds. When the Bonds, including interest and all other indebtedness and costs of construction incurred by the City in connection with the TIF Project have been paid in accordance with this Ordinance, the Redevelopment Plan and the Redevelopment Agreement, the Tax Revenue shall be applied as provided for in the Redevelopment Law.

The Revenue is hereby allocated and pledged in its entirety to the payment of the principal of and interest on the Bonds and to the payment of the Site Preparation and Public Enhancements, until the principal of and interest on the Bonds have been paid (or until money for that purpose has been irrevocably set aside), and the Revenue shall be applied solely to the payment of the principal of and interest on the Bonds and all costs of construction incurred by the City in connection with the Site Preparation and Public Enhancements as provided herein. Such allocation and pledge is and shall be for the sole and exclusive benefit of the Owners and shall be irrevocable.

Section 6.3. Potential Insufficiency of Revenue. The City makes no representations, covenants, or warranties to the Owners that the Revenue will be sufficient to pay the principal of and interest on the Bonds. Payment of the principal of and interest on the Bonds is limited solely and exclusively to the Revenue pledged under the terms of this Ordinance, and is not payable from any other source whatsoever.

ARTICLE VII

CREATION OF FUNDS AND ACCOUNTS; PAYMENTS THEREFROM

Section 7.1. Creation of Funds and Account. There is hereby created and established by the City the following funds and accounts which funds shall be held by the Finance Director of the City separate and apart from all other funds and moneys of the City under his control:

(a) a special trust fund called the “9th and O Redevelopment Project Tax Allocation Special Fund” (the “**Special Fund**”), and which shall contain both a Debt Service Account and a Surplus Account for each series of Bonds issued and which shall be created as special trust accounts; and

(b) a special trust fund called the “9th and O Redevelopment Project Fund” (the “**Project Fund**”) which shall contain a Project Account for each series of Bonds issued and which shall be created as special trust accounts.

So long as the Bonds, or any interest thereon, remains unpaid, the money in the foregoing funds and accounts shall be used for no purpose other than those required or permitted by this Ordinance, any ordinance supplemental to or amendatory of this Ordinance and the Redevelopment Law.

Section 7.2. Special Fund. All of the Revenue shall be deposited into the Special Fund. The Revenue accumulated in the Special Fund shall be used and credited in the following order of priority:

(a) **Debt Service Accounts.** Credits shall be made into the Debt Service Accounts on the Business Day prior to each Interest Payment Date so that the balance in each respective Debt Service Account on an Interest Payment Date shall be equal to the amount of Debt Service due on the corresponding series of Bonds on such Interest Payment Date. Money in each Debt Service Account shall be used solely for the payment of Debt Service on the corresponding series of Bonds as the same becomes due.

If the Bonds Outstanding are all Redeveloper Bonds or are all Lender Bonds, to the extent that moneys on deposit in the Special Fund are not sufficient to fund Debt Service for each Outstanding series of Bonds on the next Interest Payment Date such moneys will be applied on a proportionate basis to each series Debt Service Account based upon the outstanding principal amounts of each series of Bonds. If both Lender Bonds and Redeveloper Bonds are Outstanding, the Debt Service Account for the Lender Bonds will be funded with all available Revenues until an amount sufficient to pay Debt Service on the next Interest Payment Date shall have been deposited in the Debt Service Account for the Lender Bonds.

(b) **Surplus Account.** After the credits required by **Section 7.2(a)** have been made, the remaining Revenue in the Special Fund shall be deposited into the Surplus Account and used and applied by the City to (1) redeem principal of the Bonds (with any Lender Bonds to be redeemed prior to any Redeveloper Bonds, or if all Bonds are either Lender Bonds or Redeveloper Bonds such moneys will be applied on a proportionate basis to redeem Bonds based upon the outstanding principal amount of each series), (2) pay costs of construction incurred by the City in connection with the TIF Project, in its sole and absolute discretion, or (3) pay costs allowed by the Redevelopment Agreement and the Redevelopment Law.

Section 7.3. Project Fund. The Finance Director shall disburse moneys on deposit in the Project Fund from time to time to pay or as reimbursement for payment made for the costs of the TIF Project in each case within **5** Business Days after completion of the steps set forth in **Section 3.2(b)**. If a sufficient amount to pay a properly completed disbursement request is not in the appropriate account of the Project Fund at the time of the receipt by the Trustee of such request, the Finance Director shall notify the respective Owners of the applicable series of Bonds and such Owners may deposit an amount sufficient to pay such request with the Finance Director for deposit in the applicable Project Fund.

Section 7.4. Subordination of Debt Service Payments on Redeveloper Bonds.

(a) Notwithstanding any other provision of this Ordinance to the contrary, the Owners of Redeveloper Bonds covenant and agree that, upon the issuance of Lender Bonds or transfer of Redeveloper Bonds to a party other than the Redeveloper, the lien and security for the payment of principal of and interest on Lender Bonds shall for all purposes of this Ordinance be superior to and constitute a priority with respect to all other payments on Redeveloper Bonds with respect to the use of Revenues. No payment of principal or interest, or any payment related to redemption under **Section 4.1**, will be made on Bonds other than Lender Bonds from the Revenues upon the occurrence and continuance of the Finance Director being unable to make the deposits required by **Section 7.2** of this Ordinance into the Debt Service Account established for Lender Bonds sufficient to make payments on the Lender Bonds on the next Interest Payment Date. Such limitation shall continue into effect until such payments are made in full.

(b) Upon any distribution to creditors of the City of moneys constituting Revenues in a liquidation or dissolution or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding, (1) the Owners of Lender Bonds shall be entitled to receive indefeasible payment in full in cash of the principal of and interest (including interest accruing after the commencement of such proceeding) to the date of payment on the Lender Bonds before the Owners of the Redeveloper Bonds shall be entitled to receive any payment of principal or interest thereon, and (2) until the Lender Bonds are paid indefeasibly in full in cash, any distribution of Revenues to which the Owners of the Redeveloper Bonds would be entitled but for these provisions shall be made to Owners of the Lender Bonds.

(c) If a distribution is made to the Owner of Redeveloper Bonds that because of subparagraphs (b) and (c) of this Section should not have been made, the Owner who receives such distribution shall hold it in trust for the Owners of the Lender Bonds and shall promptly pay such distribution to the Finance Director for the benefit of the Owners of Lender Bonds.

ARTICLE VIII

COVENANTS OF THE CITY

So long as the Bonds are outstanding and unpaid, the City will (through its proper officers, agents or employees) faithfully perform and abide by all of the covenants, undertakings and provisions contained in this Ordinance or in the Bonds, including the following covenants and agreements for the benefit of the Owners which are necessary, convenient and desirable to secure the Bonds and will tend to make them more marketable; provided, however, that such covenants do not require the City to expend any money other than the Revenue nor violate the provisions of State law with respect to tax revenue allocation.

Section 8.1. Management and Operation of Properties. The City covenants and agrees that it will cause all properties owned by it and comprising any part of the Project to be managed and operated in a sound and businesslike manner.

Section 8.2. No Priority. The City covenants and agrees that it will not issue any obligations the principal of or interest on which is payable from the Revenue which have, or purport to have, any lien upon the Revenue prior or superior to or in parity with the lien of the Bonds and the interest thereon; provided, however, that nothing in this Ordinance shall prevent the City from issuing and selling bonds or other obligations which have, or purport to have, any lien upon the Revenue which is junior to the Bonds and the Debt Service thereon, or from issuing and selling bonds or other obligations which are payable in whole or in part from sources other than the Revenue.

Section 8.3. To Pay Principal of and Premium and Interest on Bonds. The City will duly and punctually pay or cause to be paid solely from the Revenue the principal of and interest on the Bonds on the dates and at the places and in the manner provided in the Bonds according to the true intent and meaning thereof and hereof, and will faithfully do and perform and fully observe and keep any and all covenants, undertakings, stipulations and provisions contained in the Bonds and in this Ordinance.

Section 8.4. Books of Account; Financial Statements. The City covenants and agrees that it will at all times keep, or cause to be kept, proper and current books of account (separate from all other records and accounts) in which complete and accurate entries shall be made of all transactions relating to the Project, the Revenue and other funds relating to the Project. Within 180 days after the close of each Fiscal Year, the City shall cause such books of account to be audited by an independent certified public accountant, which audit may be part of the annual audit of the accounts of the City. The audit report shall

show in reasonable detail the income and expenses for such Fiscal Year relating to the Project, including the transactions relating to the Special Fund, and a copy of the audit report shall be made available to the Owner upon written request. Each such audit report shall state therein that the auditor has examined and is familiar with the provisions of this Ordinance relating to the matters set forth above, and that as to such matters the City is in compliance therewith or, if not in compliance therewith, the details of such failure to comply and the action to be taken by the City to be in compliance therewith.

Section 8.5. Eminent Domain Proceeds. The City covenants and agrees that should all or any part of the Project be taken by eminent domain or other proceedings authorized by law for any public or other use under which the property will be exempt from ad valorem taxation, the net proceeds realized by the City therefrom shall constitute Project Revenue and shall be deposited into the Special Fund and used for the purposes and in the manner described in **Section 7.2**.

Section 8.6. Protection of Security. The City is duly authorized under all applicable laws to create and issue the Bonds and to adopt this Ordinance and to pledge the Revenue in the manner and to the extent provided in this Ordinance. The Revenue so pledged is and will be free and clear of any pledge, lien, charge, security interest or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge created by this Ordinance, except as otherwise expressly provided herein, and all corporate action on the part of the City to that end has been duly and validly taken. The Bonds are and will be valid obligations of the City in accordance with its terms and the terms of this Ordinance. The City shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of and security interest granted with respect to the Revenue pledged under this Ordinance and all the rights of the Owners under this Ordinance against all claims and demands of all persons whomsoever.

Section 8.7. Tax Covenants.

(a) The City covenants and agrees that (1) it will comply with all applicable provisions of the Code, including Sections 103 and 141 through 150, necessary to maintain the excludability from gross income for federal income tax purposes of the interest on the Tax-Exempt Bonds and (2) it will not use or permit the use of any proceeds of Tax-Exempt Bonds or any other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to take action would adversely affect the excludability from gross income of the interest on the Tax-Exempt Bonds. The City will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Tax-Exempt Bonds will remain excludable from federal gross income, to the extent any such actions can be taken by the City.

(b) The City covenants and agrees that (1) it will comply with all requirements of Section 148 of the Code to the extent applicable to the Tax-Exempt Bonds, (2) it will use the proceeds of the Tax-Exempt Bonds as soon as practicable and with all reasonable dispatch for the purposes for which the Tax-Exempt Bonds are issued, and (3) it will not invest or directly or indirectly use or permit the use of any proceeds of the Tax-Exempt Bonds or any other funds of the City in any manner, or take or omit to take any action, that would cause the Tax-Exempt Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code.

(c) The City covenants and agrees that it will pay or provide for the payment from time to time of all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any Treasury Regulations applicable to the Tax-Exempt Bonds from time to time. This covenant shall survive payment in full or defeasance of the Tax-Exempt Bonds. The City specifically covenants to pay or cause to be paid to the United States, the required amounts of arbitrage rebate at the times and in the amounts as determined by the Tax Certificates. Notwithstanding anything to the contrary contained herein, the Tax

Certificate may be amended or replaced if, in the opinion of counsel nationally recognized on the subject of municipal bonds, such amendment or replacement will not adversely affect the excludability from gross income for federal income tax purposes of interest on the Tax-Exempt Bonds.

(d) The City covenants and agrees that it will not use any portion of the proceeds of the Tax-Exempt Bonds, including any investment income earned on such proceeds, directly or indirectly, in a manner that would cause any Tax-Exempt Bond to be a “private activity bond.”

(e) The foregoing covenants shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to **Article X** of this Ordinance or any other provision of this Ordinance, until the final maturity date of the Bonds.

DEFEASANCE; MONEY HELD FOR PAYMENT OF DEFEASED BONDS

Section 10.1. Discharge of Liens and Pledges; Bond No Longer Outstanding Hereunder. The obligations of the City under this Ordinance, including any ordinances, resolutions or other proceedings supplemental hereto, and the liens, pledges, charges, trusts, assignments, covenants and agreements of the City herein or therein made or provided for, shall be fully discharged and satisfied as to the Bonds or any portion thereof, and the Bonds or any portion thereof shall no longer be deemed to be outstanding hereunder and thereunder,

(a) when any Bond or portion thereof shall have been canceled, or shall have been surrendered for cancellation or is subject to cancellation, or shall have been purchased from money in any of the funds held under this Ordinance, or

(b) if any Bond or portion thereof is not canceled or surrendered for cancellation or subject to cancellation or so purchased, when payment of the principal of such Bond or any portion thereof, plus interest on such principal to the due date thereof (whether such due date be by reason of maturity or upon redemption or prepayment, or otherwise), either (1) shall have been made or caused to be made in accordance with the terms thereof, or (2) shall have been provided by irrevocably depositing with the Registrar for the Bonds, in trust and irrevocably set aside exclusively for such payment, (A) money sufficient to make such payment or (B) Escrow Obligations maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient money to make such payment.

Provided that, with respect to any total redemption of any Bond, notice of redemption shall have been duly given or provision satisfactory to the Registrar shall have been made therefor, or waiver of such notice, satisfactory in form, shall have been filed with the Registrar.

At such time as any Bond or portion thereof shall no longer be outstanding hereunder, as provided, such Bond or portion thereof shall cease to draw interest from the due date thereof (whether such due date be by reason of maturity or upon redemption or prepayment or otherwise) and, except for the purposes of any such payment from such money or such Escrow Obligations, such Bond or portion thereof shall no longer be secured by or entitled to the benefits of this Ordinance.

Any such money so deposited with the Registrar for any Bond or portion thereof as provided in this **Section 10.1** may at the direction of the Finance Director also be invested and reinvested in Escrow Obligations, maturing in the amounts and times as hereinbefore set forth. All income from all Escrow Obligations in the hands of the Registrar which is not required for the payment of such Bond or portion thereof and interest thereon with respect to which such money shall have been so deposited, shall be paid to the City and deposited in the Special Fund as and when realized and collected for use and application as is other money deposited in that fund.

Anything in this Ordinance to the contrary notwithstanding, if money or Escrow Obligations have been deposited or set aside with the Registrar pursuant to this **Section 10.1** for the payment of any Bond and such Bond shall not have in fact been actually paid in full, no amendment to the provisions of this **Section 10.1** shall be valid as to or binding upon the Owner thereof without the consent of such Owner.

Section 10.2. Certain Limitations After Due Date. If sufficient money or Escrow Obligations shall have been deposited in accordance with the terms hereof with the Registrar in trust for the purpose of

paying the Bonds or any portion thereof and the accrued interest thereon when the same becomes due, whether at maturity or upon earlier redemption, all liability of the City for such payment shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Registrar to hold such money or Escrow Obligations, without liability to the Owners for interest thereon, in trust for the benefit of the Owners, who thereafter shall be restricted exclusively to such money or Escrow Obligations for any claim for such payment of whatsoever nature on his part.

Notwithstanding the provisions of the preceding paragraph of this **Section 10.2**, money or Escrow Obligations held by the Registrar in trust for the payment and discharge of the principal of and accrued interest on any Bond which remain unclaimed for five years after the date on which such payment shall have become due and payable, either because the Bonds shall have reached their maturity date or because the entire principal balance of the Bonds shall have been called for redemption, if such money was held by the Registrar or such paying agent at such date, or for five years after the date of deposit of such money, if deposited with the Registrar after the date when such Bond became due and payable, shall, at the written request of the City be repaid by the Registrar to the City as the City's property and free from the trust created by this Ordinance, and the Registrar shall thereupon be released and discharged with respect thereto, and the Owner thereof shall look only to the City for the payment thereof.

ARTICLE XI

AMENDING AND SUPPLEMENTING OF ORDINANCE

Section 11.1. Amending and Supplementing of Ordinance Without Consent of Owners.

The City may at any time without the consent or concurrence of the Owners of the Bonds adopt an ordinance amendatory hereof or supplemental hereto if the provisions of such supplemental ordinance do not materially adversely affect the rights of the Owners of the Bonds, for any one or more of the following purposes:

(a) To make any changes or corrections in this Ordinance as to which the City shall have been advised by counsel that the same are verbal corrections or changes or are required for the purpose of curing or correcting any ambiguity or defective or inconsistent provision or omission or mistake or manifest error contained in this Ordinance, or to insert in this Ordinance such provisions clarifying matters or questions arising under this Ordinance as are necessary or desirable;

(b) To add additional covenants and agreements of the City for the purpose of further securing payment of the Bonds;

(c) To surrender any right, power or privilege reserved to or conferred upon the City by the terms of this Ordinance;

(d) To confirm as further assurance any lien, pledge or charge, or the subjection to any lien, pledge or charge, created or to be created by the provisions of this Ordinance; and

(e) To grant to or confer upon the Owner of the Bonds any additional rights, remedies, powers, authority or security that lawfully may be granted to or conferred upon them.

The City shall not adopt any supplemental ordinance authorized by the foregoing provisions of this **Section 11.1** unless in the opinion of counsel the adoption of such supplemental ordinance is permitted by the foregoing provisions of this **Section 11.1** and the provisions of such supplemental ordinance do not materially and adversely affect the rights of the Owners of the Bonds.

Section 11.2. Amending and Supplementing of Ordinance with Consent of Owners. With the consent of the Owners of not less than a majority in principal amount of the Bonds then outstanding, the City from time to time and at any time may adopt an ordinance amendatory hereof or supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Ordinance, or modifying or amending the rights and obligations of the City under this Ordinance, or modifying or amending in any manner the rights of the Owners of the Bonds then outstanding; provided, however, that, without the specific consent of the Owner of each such Bond which would be affected thereby, no supplemental ordinance amending or supplementing the provisions hereof shall: (a) change the fixed maturity date for the payment of interest thereon or the terms of the redemption thereof, or reduce the principal amount of any Bond or the rate of interest thereon or the Redemption Price payable upon the redemption or prepayment thereof; (b) reduce the percentage of Bonds, the Owners of which are required to consent to any supplemental ordinance amending or supplementing the provisions of this Ordinance; (c) give to any Bond or Bonds any preference over any other Bond or Bonds secured hereby; (d) authorize the creation of any pledge of the Tax Revenues and other money and securities pledged hereunder, prior, superior or equal to the pledge of and lien and charge thereon created herein for the payment of the Bonds except to the extent provided in **Articles III** and **V**; or (e) deprive any Owner of the Bonds in any material respect of the security afforded by this Ordinance. Nothing in this paragraph contained, however, shall be construed as making necessary the approval of the Owners of the Bonds of the adoption of any supplemental ordinance authorized by the provisions of **Section 11.1**.

It shall not be necessary that the consents of the Owners of the Bonds approve the particular form of wording of the proposed amendment or supplement or of the proposed supplemental ordinance effecting such amendment or supplement, but it shall be sufficient if such consents approve the substance of the proposed amendment or supplement. After the Owners of the required percentage of Bonds shall have filed their consents to the amending or supplementing hereof pursuant to this Section, the City may adopt such supplemental ordinance.

Section 11.3. Effectiveness of Supplemental Ordinance.
