

**COUNCILMAN JAMES MICHAEL BOWERS
NORTHEAST CITIZENS' MEETING
THURSDAY, SEPTEMBER 17, 2020**

**Liz Elliott, Director of Lincoln Transportation & Utilities
And**

Mark Lutjeharms, Engineering Service Manager, Lincoln Transportation & Utilities

Please join us **Thursday, September 17, 2020, from 5:30 p.m. to 6:30 p.m.** as Liz Elliott and Mark Lutjeharms discuss the City-wide school zone safety enhancement projects that began at the end of August. The multi-year project is the result of a Lincoln School Zone Study completed this year and is designed to improve the safety and function of school zones at all 83 public and private schools in Lincoln. Every school zone will receive specific enhancements that fit the need for that location. LTU is analyzing each school zone based on the amount of pedestrian and vehicular traffic in the area, routes to safely cross streets and best use of school zone equipment. Recommended improvements will meet national standards and best practices.

School zone and pedestrian route improvements to be considered include:

- Signs for motorists indicating upcoming school zones and speed reduction
- Establishment of primary walking routes that could benefit from enhancements such as signed and marked crosswalks and Rectangular Rapid Flashing Beacons
- Curb ramps for wheelchairs, strollers, walkers, hand carts, bicycles and pedestrians who have trouble negotiating curbs

You are invited to view this live event on the following cable channels:

Allo channel 2

Charter/Spectrum channel 1300

Windstream channel 1005

As well as on facebook <https://www.facebook.com/lincolnnebraska/>

The city of Lincoln's website <http://lnktv.lincoln.ne.gov/CablecastPublicSite/?channel=1>
