RE: REQUEST FOR PROPOSAL (RFP)

WEST HAYMARKET PARKING DECK NOS. 2 AND 3
LINCOLN, NE

To whom it may concern:

Hausmann / Dunn, A Joint Venture is requesting proposals and qualification information from all Subcontractors and Suppliers for the Parking Equipment Installation Bid Package for the West Haymarket Parking Decks 2 and 3 located between O and Q streets on Arena Drive in the West Haymarket District. Project will consist of installing the Parking Equipment for the West Haymarket Parking Decks 2 and 3. The Parking Equipment will be supplied by others. The Parking Equipment installation will include pulling wire to all equipment (conduit rough-in from panel to equipment provided by others), cashier booths, gates, ticket dispensers, etc... as described in the official scope of work and bid documents. The Front End documents, including plans, specs, equipment shop drawings provided by supplier, and the official scope of work, will be available on Submittal Exchange.

Scope #

47 Parking Equipment Installation (Decks 2 and 3)

***Plans and specs are available on Submittal Exchange. Plans and specs can be accessed through the link below. This link will direct you to the Submittal Exchange Plan Room. All documents associated with this bid package are located in the "Parking Equipment Installation Bid Package" category.
