Addendum #1
Annual Requirements fo Turf Fertilizers and Chemicals
Bid No. 14-268

Addenda are instruments issued by the City prior to the date for receipt of offers which will modify or interpret the specification document by addition, deletion, clarification or correction.

Please acknowledge receipt of this addendum in the space provided in the Attribute Section.

Be advised of the following changes and clarifications to the City's specification and bidding documents:

- Q.** It would appear to me that this bid is for a golf course. Could you tell me how many acres of greens and fairways are in the course, please?
- A.** The bid is for all City of Lincoln/Lancaster County/PBC departments which will include five golf courses.
- Q.** In the Annual Requirements document, the Acceptance and Delivery of Materials Section 3.6, it states that delivery must be within 24 hours of the order. Did I interpret this statement correctly? I would be drop shipping product directly from our factory, but it would probably be about a week from order date to delivery date
- A.** A week delivery should be no problem although we generally place order for deliveries to be within 24-48 hours .

All other terms and conditions shall remain unchanged.

Dated this day 14th day of November 2014.
