

StarCare Landing Zone and Safety Training

It is once again time for the annual update of helicopter safety and landing procedures.

Objectives include:

1. When to activate StarCare V
2. Capabilities of aircraft
3. Patient packaging for flight
4. Safe operations around aircraft
5. Landing Zone Management

Call the StarCare Office at **402-481-8064**

to set up a training class.

Contact hours will be awarded.
