Atch. – Poster Judging Procedures

POSTER CONTEST JUDGING

The “Be Water Wise” poster contest is an annual event for 5th grade students in Lincoln.

The purpose of this event is to promote quality water and to express water conservation as an important everyday issue.

This is a great educational activity for the students (and their families) to learn about water conservation.

Judging is simple and fun!

1. Does the picture relay the message of water conservation/water quality?
2. Is the artwork something you would like to see on a Bus Board, Billboard, or bookmarks?
3. Mark your 10 favorite posters with your sticky tabs provided!

**THANK YOU FOR YOUR HELP!
HAVE A WONDERFUL DAY!**
