

Mayor's Environmental Task Force

Meeting Summary

July 6, 2017

- Introductions were made (including new attendees included on the attached sign in sheet) and Mayor Beutler provided comments relative to the upcoming release of the Lincoln Environmental Action Plan (LEAP), thanking METF subcommittee members for their participation in development of the plan.
- Announcements:
 - Marc Shkolnick with LES announced the upcoming LES Sustainable Living Festival to be held in the Railyard on the morning of Saturday, July 29th.
 - Cecil Steward announced the scheduling of the Urban Thinker's Campus 2.0 Sustainability conference to be held at Innovation Campus on August 24th-26th. (***Note – this conference has now been postponed***).
- Frank Uhlarik then provided a copy and discussed the draft Lincoln Environmental Action Plan (LEAP). Frank indicated there would be a public open house for the plan on July 26th at Gere Library and the City would be accepting public comment on the plan up until August 7th. The plan, along with FAQs and comment forms can be found at the City of Lincoln's web site by typing in Keyword Search "LEAP".
