FLIGHTED FORMAT

The city tournament committee is employing a flighted format again this year. Players may declare the Championship Flight on the entry form and will then be paired with other Championship Flight players. Players with a handicap index of 4.0 or less will automatically be placed in the Championship Flight. **The Tournament Committee reserves the right to adjust based on past tournament performance.** Play within Championship flight will be scratch. Play in all other flights will be both gross and net.

This competition will be conducted over 36 holes with prize certificates awarded after the completion of play on Sunday afternoon at Holmes G.C.

Play is scheduled to begin at 7:30am each day. Pairings will be remade after first round play for the final round. Lunch will be served following the final round.
