## Wilderness Nature Camp at Wilderness Park

### June 8-12 Survival of the Fittest

Build your outdoor skills during this camp. Learn how to build a fire, find shelter, track animals, and navigate the wilderness.

### June 15-19 Bull's Eye

Ready, aim, fire! Practice archery, use sling shots, and create your own projectiles to hit the targets this week! Even learn how animals hit their mark.

### June 22-26 Naturally Creative (6-8 yr olds)

Get inspired by nature! Express your creativity through music and art during this week of outdoor fun.

### June 22-26 Nature Photography (9-13 yr olds)

Capture nature through photos. Bring a digital camera and get inspired by the wilderness at camp.

### July 6-10 Turtle Power!

Slow and steady wins the race. Explore turtles and other reptiles during this wild encounter camp.

### July 13-17 Outdoor Cooking (6-8 yr olds)

Yum Yum! Learn how to cook fun treats over a fire, by Dutch oven, and other creative ways while outdoors!

### July 13-17 Bike Camp (9-13 yr olds)

Bring your bike and helmet and be ready for daily treks to explore areas in and around Wilderness Park.

### July 20-24 Ka-sploosh

A wet n' wild week exploring the wonders of water. Conduct water experiments, investigate life in the creek, and learn about wetlands and watersheds.

### July 27-31 Archery on Fire

Try out your archery skills, practice throwing boomerangs and Frisbees, and investigate other high fliers like raptors, insects, and more.

"What I like best is building forts, catching frogs, and having fun."
