Wilderness Nature Camp at Wilderness Park

June 13-17 Mammoths and More

What will you unearth at camp? Discover what roamed through Nebraska millions of years ago and what's here today.

June 20-24 Survival of the Fittest

What's the key to survival? Learn how plants and animals survive and improve your own outdoor survival skills including archery and tracking.

June 27 - July 1 Wildlife Rescuers

How can you help wildlife? Explore local wildlife, what is needed for animals to thrive in the wild and learn about wildlife conservation.

July 11-15 Bike Camp (9-13 year olds)

Spend most of the week biking on trials, learning bike safety, and the basics of cyclocross.

July 11-15 Naturally Made (6-13 year olds)

Calling all artists. Get inspired by the world around you and create various works of art.

July 18-22 Bull's Eye

Practice hitting the mark through archery, sling shots, and other target practice at camp. Learn about animals and how they hit their marks too.

July 25-29 Aquatic Adventures

Creeks, streams, lakes, and more will be explored during this week. Learn about aquatic life and conduct your aquatic investigations.

August 1-5 Mega Micro Mysteries

Use different tools to take a closer look and uncover clues that will help answer questions and solve a mystery during camp.
