Paving the Path

The Paving the Path program at Sunken Gardens was established to allow those who wish to be a part of this special place while also building the endowment fund to forever care for the plant material and infrastructure.

You can honor special friends or family members, celebrate graduations or weddings or commemorate holidays by purchasing a Paving the Path brick in either of two sizes: 5 ½" x 8" for \$250 or 8" x 11" for \$750. If the donor wishes, a letter will be sent to the honoree or honoree's family indicating that a brick has been purchased in their honor. Contact the Lincoln Parks Foundation at lincolnparks.org or 402-441-8258 for more information.

One Flower Forever

Gifts to the One Flower Forever program at Sunken Gardens help build the endowment for plant material and infrastructure to forever care for the garden.

For a one-time donation of \$100, one flower will be planted in honor of someone special, annually, at Lincoln's Sunken Gardens 'forever'. All donors receive a commemorative certificate suitable for framing which can be presented to the honoree or honoree's family along with a flower lapel pin. Contact the Lincoln Parks Foundation at lincolnparks.org or 402-441-8258 for more information.
