Topic: "Leadership-A Work/Life Experience" is all about our development as a person and how we view ourselves and others.

Ed currently serves as Special Assistant to the President at the University of Nebraska. He has a bachelor's degree from Doane College and is completing his master's thesis. He has been employed in the human resources field for over 28 years.

He has served as chief negotiator for the Board of Regents collective bargaining. He is a former certified master trainer for Development Dimensions International as well as a former certified hearing officer for the University of Nevada/Reno.

Ed loves to play the bass guitar (R&B and jazz) and is learning to play golf.
