Please join Leadership Link for "A Worthy Destination" - the third topic in Earl Nightingale's 12-part series, "Lead the Field." "Lead the Field" focuses on an enduring success principle founded by Mr. Nightingale following 50 years of research. Participation is sure to enhance your personal and professional goals and objectives and inspire you to reach your full potential.

This professional development opportunity is available to all employees but you must pre-register. There is no cost to attend.

The session format will include an audio presentation, group discussions and other interactive activities. Feel free to come and go as your schedule allows. Lunch is on your own.
