RE: 1021 D Street Signage

Dear Mr. Zimmer:

Attached are mock-ups of potential signage displays for the referenced address, provided by Art on Display, for the Historic Preservation Committee's approval. There is existing yard lighting pointing to the columns of the porch in this area which we believe will be adequate for our signage.

Please review the sign layouts and notify me of any staff comments. If you have any further questions, please contact me.

Let me know if you would like me to present this at the June 18 meeting.

Sincerely,

ENGINEERING DESIGN CONSULTANTS, L.L.C.
