

The Downtown Neighborhood Association (DNA) respectfully requests that you designate a subcommittee to address Centennial Mall and to help find solutions to it's deteriorating condition.

Centennial Mall is in our neighborhood and it represents a wonderful asset, to the neighborhood, to our community, and to the State of Nebraska. For that reason we would like to participate in a conversation on solutions and/or the next step. We are relatively familiar with the history of the mall and of many of the issues that have accrued and this is a big project, but we believe solving the problem will be a significant investment for the future.

We are requesting that the Capitol Environs Commission help provide the framework for action. DNA stands ready to assist in any way possible.

Sincerely,

A handwritten signature in cursive script that reads "Richard A. Noyes". The signature is written in black ink and is positioned below the word "Sincerely,".
