CITY OF LINCOLN
NEBRASKA
MAYOR CHRIS BEUTLER

CITY OF LINCOLN
EXECUTIVE ORDER
NO. 084169

BY VIRTUE OF THE AUTHORITY VESTED IN ME by the Charter of the City of Lincoln, Nebraska:

The Amendment No. 2 to the Waterford Estates Conditional Annexation and Zoning Agreement, which is attached hereto, between the City of Lincoln, Nebraska and Waterford Estates, LLC, to clarify the timing of construction of the Balance of Holdrege Street Water Line and the phasing for construction of North 98th Street, is hereby approved and I have executed the same on behalf of the City.

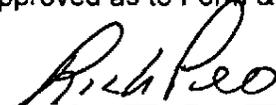

The City Clerk is directed to record the Amendment No. 2 to the Waterford Estates Conditional Annexation and Zoning Agreement with the Register of Deeds, filing fees to be paid by Waterford Estates, LLC. ✓

The City Clerk is directed to send a fully executed original of the Agreement and a copy of this Executive Order to DaNay Kalkowski, Seacrest & Kalkowski, 1111 Lincoln Mall, Suite 350, Lincoln, NE 68508-3910 for transmittal to Waterford Estates, LLC. ✓

Dated this 28 day of June, 2011.

Chris Beutler, Mayor of Lincoln

Approved as to Form & Legality:

Chief Assistant City Attorney

Approved by Public Works & Utilities:

Director

**AMENDMENT NO. 2
TO THE WATERFORD ESTATES
CONDITIONAL ANNEXATION AND ZONING AGREEMENT**

This Amendment No. 2 to the Waterford Estates Conditional Annexation and Zoning Agreement is made and entered into this 28 day of June, 2011 by and between the City of Lincoln, Nebraska, a municipal corporation ("City"), and Waterford Estates, LLC, a Nebraska limited liability company ("Developer"), successor in interest to Ridge Development Company, a Nebraska corporation, Southview, Inc., a Nebraska corporation, Developments Unlimited, LLP, a Nebraska limited liability partnership, and Northern Lights, LLC, a Nebraska limited liability company.

RECITALS

Developer and City desire to amend the Waterford Estates Conditional Annexation and Zoning Agreement ("Annexation Agreement") to clarify the timing of construction of the Balance of Holdrege Street Water Line and the phasing for construction of North 98th Street.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties agree to amend the Annexation Agreement as follows:

1. Attachment "E-A2" attached hereto is incorporated into the Annexation Agreement by this reference. Attachment "E-A2" identifies a more detailed phasing plan for the construction of the remaining improvements to North 98th Street and shall replace the Phase B and Phase C Pavement Schedule for roads currently set forth on Attachment "E 2 of 4" and Attachment "E 3 of 4" of the Annexation Agreement.

2. Paragraph 6.D.I. is hereby amended and restated as follows:

D. Water Improvements

I. Balance of Water Line in Holdrege Street. As part of the City's utility planning, the City desires to design and construct a 16" water main (approximately 2,640 lineal feet) in Holdrege Street generally east of North 98th Street as shown on the Infrastructure Exhibits (Attachment "E") (collectively "Balance of Holdrege Street Water Line"). The City, at its expense, will design, competitively bid, construct and fund the Balance of Holdrege Street Water Line. ~~The Balance of Holdrege Street Water Line is shown in year four of the City's 2005/2006 Six Year Capital Improvement Program to be funded by the City, at its expense.~~ The City agrees to use its best efforts to design, grade and construct the Balance of Holdrege Street Water Line by August, 2009 as follows: (i) that portion from North 98th Street to North 102nd Street within two (2) years of when the residential property adjacent to Holdrege Street from North 98th Street to North 102nd Street is final platted, and (ii) that portion from North 102nd Street to North 104th Street within two (2) years of when the residential property adjacent to Holdrege Street from North 102nd Street to North 104th Street is final platted. The City's best efforts are contingent upon City Council approving the necessary future rate increase(s) for water in the subsequent fiscal years.

In order to facilitate the City's timing for the construction of the Balance of Holdrege Street Water Line, the Property Owners will design, construct and fund through the City's Executive Order Process an oversized internal water line (8-inch or 12-inch) through the residential development east of North 98th Street and south of Holdrege Street ("Internal Water Line"). The size and location of the Internal Water Line will be determined as part of the final platting process. The Property Owners shall be responsible for the cost of constructing a typical 6-inch water line abutting a residential area. The City shall be responsible for all costs attributable to oversizing the Internal Water Line with pipe, valves, fittings and all other accessories that are larger than 6-inch.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment No. 2 on the day and year first written above.
