

**COLLEGE VIEW NEIGHBORHOOD MOBILITY AUDIT
CHARRETTE JULY 18, 2007
COMMENTS RECEIVED**

A: TRANSIT SYSTEM

- Agree with the discontinuation of 52nd St. Service
- Good idea to put benches, shelters and lighting at bus stops
- Need an active neighborhood association
- Lots of student interchange between Union College and UNL – I could see a real need for racks on the buses!
- Smaller buses with bike racks?
