

GUN AMNESTY DAY

DROP OFF:

NeighborWorks Lincoln parking lot,
northwest corner of 23 & Q Streets.

Saturday, May 10th, 2014
11:00 AM – 1:30 PM

**No compensation will be given for any guns or
ammunition dropped off.**

Firearms should be transported in the trunk or back seat of a vehicle in an open box, bag or container. Once at the drop off site tell the person that contacts you at your vehicle where the firearm is located and let them retrieve the firearm. It is preferred that firearms be surrendered unloaded and any breaches, slides, bolts, cylinders or actions should be open. However, if citizens are not familiar with how to unload their firearm and attempting to do so would create a hazard, transport the firearm to the site and inform the person that contacts you at your vehicle that the weapon may not be unloaded.

DRIVE UP – DROP OFF – DRIVE AWAY – NO QUESTIONS ASKED

What is accepted?

***The public is encouraged
to drop off any unwanted
legal or illegal firearms
and ammunition.***
