

Open House

for 2007 Stormwater Bond Project
(48th & Holdrege)
City Project 702382

You are invited to attend an **Open House** planned to discuss the stormwater drainage improvements for the 48th Street, Holdrege to Wilshire Blvd area (see map). The open house is being held to provide the public the opportunity to review and comment on the preliminary design for the drainage improvements in the study area. JEO Consulting Group, Inc. is working with the City on the design of this project. The project staff will be available for one-on-one conversation to answer your questions.
