

**CONTRACTOR SUPPLIED MATERIALS**

The following Special Provision shall replace language in Chapter 23.03 Section N of the 2011 City of Lincoln Standard Specification for Municipal Construction:

**N. HYDRANT DRAIN MATERIAL**

Hydrant drain material shall be clean, washed, hard, durable, uncoated and uniformly graded Class “A” gravel as specified by the Nebraska Department of Roads. Gradation shall be as follows:

**TABLE 23.03 C – HYDRANT DRAIN MATERIAL GRADATIONS**

Sieve Size	% Passing	Tolerance
3/4”	100	0
3/8”	95	+/- 5
#4	78	+/- 4
#10	16	+/- 13
#200	3	+/- 3
