

# PUBLIC WORKS & UTILITIES ADVISORY

MAYOR CHRIS BEUTLER

lincoln.ne.gov

Engineering Services would like to announce our eleventh annual **SPRING MEETING**.

With temperatures in the upper 50's, we are reminded that Spring is not even a month away. We've scheduled time again this year to get together and go over some of our changes in Engineering Services, preview the upcoming year and review last year, at our Spring kick-off meeting.

As usual, we have new people, policies, and procedures in place since we got together last year. We have lost some people through retirements in our immediate area (Bruce Sweney, Charlie Wilcox, Dick McBride, Larry Duensing and Wayne Teten). We were lucky to be able to bring Larry back part time to help us out. To help fill the needs in the area, some staff have been realigned (Elmer Cole - Construction PM, Jon Brakemen - Lab and Scott Cockrill - Design) while others are new (James Puls & Randy Saathoff - Construction and Tony Ngo - CEIS).

This year's meeting will be held **Thursday, March 19, 2009 @ the Lincoln Firefighter's Reception Hall, 241 Victory Lane**. (*Same location as last year's meeting*). Coffee, juice and rolls will be available at **8:30 A.M.** with the meeting set to begin tentatively at 9:00 and is expected to last approximately 2-3 hours.

## TOPICS \*:

- **Introductions/Opening Remarks(Shafer)**
- **Introductory Comments (MacLean)**
- **Current Issues/Projects (Shafer/Zuhlke)**
  - + **Development Services Center**
  - + **Organization changes**
  - + **Changes to the Executive Order Process.**
- **Stormwater Management/Erosion Control (Lacy)**
- **Antelope Valley Update (Humphrey)**
- **Water Main Topics (Owen)**
- **Wastewater Topics (Krull)**
- **Construction projects/issues review (Lionberger)**
- **Certification Renewals for Site Supervisors (Foreman) and Field Representatives (Nunes)**

\* We are allowing approximately 10-15 minutes for each presentation to provide highlights only, as many of these topics could take up the whole session. Specific questions regarding any particular problem/topic may not be immediately available at this meeting, but if you ask, we will endeavor to obtain an answer as soon as possible.

Additional questions or topics, that you feel need to be addressed can be submitted prior to the meeting to Erika Nunes, 531 Westgate Boulevard Suite #100, Lincoln, NE. 68528 or call her at 441-5675.

Thank you and we'd like to see you there!

## ENGINEERING SERVICES

**P.S.** We will again offer Site Supervisor/Field Representative testing at the Reception Hall both during the Meeting and after. Please call 441-7711 and reserve your space and time so we can accommodate everyone who wants to take the tests.
