

Summer of Progress Continues!

October 23, 2015

Old Cheney Rd, Warlick St. to 40th St. Pavement Repair City Project #540032

The City of Lincoln continues to work on the pavement repair project from Warlick to 40th Street. Work will start in the area between 18th and 27th on Monday October 26, 2015.

Work will continue this fall as long as weather permits. All remaining work along the Old Cheney Rd. corridor will be completed by August of 2016, minus seeding and final close out items to be completed by October of 2016. All lanes will be open during the winter months.

The work will be completed under lane closures. One lane will be open to eastbound and westbound traffic at all times, however motorist may encounter delays when concrete trucks need to use the open lane. Access to adjacent properties will be maintained and any access restrictions will be coordinated with the property owner. Properties with multiple entrances will have one entrance open at all times, unless otherwise agreed to by the property owner. Access for emergency vehicles will be maintained at all times. Pedestrian access to businesses, residences, and trails will be maintained throughout the duration of the project via alternate pedestrian routes and or detours provided during the reconstruction of curb ramps.
