Bring this insert to an event for a reward!

What do I do with STUFF I don't want?

- Where is the nearest recycling site?
- What do I do with old paint?
- Where can I get rid of tires?
- What about a dead auto battery?
- Who could use my old computer?
- When is the landfill transfer station open?
- May I put yard waste with my trash?
- How can I report illegal dumping?
- Where and when can I dispose of hazardous household waste?

Watch for the official
