

# UNDERWAY

Exterior renovation and restoration has been completed, residential units are available for rent, and interior work on the first floor is underway.

## Lincoln Center Redevelopment Plan

### Willys Knight Lofts

Renovation and rehabilitation of the historic Strode Building into a two-story mixed-use residential and commercial building. The ground floor will include commercial space and approximately 16 secured, indoor parking stalls for the use of residential tenants on the second floor. The thirteen residential units on the second floor will include a mix of one-bedroom, two-bedroom, and studio units.

#### Location:

1600 O Street

**TIF Approved: \$252,000**

► Site acquisition

**Private Investment: \$2,500,000**
