

## Grading Certificate

Project/Subdivision Name:

---

Submittal Date:

---

Project's CSW Permit Number:

---

**Certification:**

I, \_\_\_\_\_, certify that the grading of the right-of way, lots, and outlots are completed and within 0.25 feet +/- of the approved grading plan and the erosion and sediment controls for the project are installed, functioning properly, and the site is adequately protected as required per local, state and federal regulations.

**Engineer Signature:** \_\_\_\_\_

**Engineering Firm:** \_\_\_\_\_

Include the following document in addition to the grading certificate at time of submittal:

- Approved Grading Plan showing all required items per the attached checklist

# Grading Certificate Checklist

Per Lincoln Municipal Code Titles 26 and 28

## WORK COMPLETED

<u>Grading &amp; Drainage Plan</u>	YES	NO	NA	SUBMITTER OR DESIGNER COMMENTS
Grading has been completed and is within 0.25 feet +/- of the approved grading plan.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Has the grading plan been stamped and/or certified by a professional engineer or surveyor?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Does the current onsite conditions (elevations, limits of disturbance, etc.) match the submitted grading plan?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Are temporary stockpiles clearly marked and/or noted (if applicable)?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Does the plan include a North arrow and scale?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Does the plan include lot lines?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Are the limits of the grading proposal area clearly marked?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Does the plan include lot corner elevations?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Are one-foot contours clearly shown on the plan?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	

Are drainage arrows clearly marked?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Are the drainage Outlots clearly identified (if applicable)?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Are the street names, lot and block numbers clearly identified (if applicable)?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
<b><u>Erosion &amp; Sediment Control</u></b>	<b>YES</b>	<b>NO</b>	<b>NA</b>	<b>SUBMITTER OR DESIGNER COMMENTS</b>
Has a CSW Permit been obtained for this project? Please include the CSW Permit number in the Comment section.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Has an updated erosion & sediment control plan, reflecting actual measures on site, been submitted?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Are all required sediment & erosion measures installed onsite and in good working order?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Is the site free of sediment track out onto adjacent properties and/or public R.O.W?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Are discharge points and/or receiving waters free of sediment deposits?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	
Are up to date SWPPP Inspections being conducted and uploaded into the NDEE Stormwater Portal?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
