

Wilderness Park Signage package summary

Three sign types:

Trailhead Kiosks

Navigational trail signs

Regulatory trail signs

Kiosks: located at Trailheads

Click here to view to examples of the kiosk design (link to pdf of panels and kiosk design)

Map – showing color coded trails with mileage for each segment, stream crossings with notes on crossings not appropriate for specific users, points of interest such as bird watching areas and historic sites, any use restrictions, trailheads, access points. This map could be adapted to a print version.

Park regulations

Interpretive information – could develop different information for each kiosk, for example:

T1 – Day Camp (1st and old Van Dorn St) – Day Camp and Electric Park history

T2 – Epworth (1st and Calvert St)– Epworth Park history

T3 – Pioneers Blvd – Floodplain, flood protection, Salt Creek channelization

T4 – 1st Street – Plants of Wilderness Park

T5 – Old Cheney Rd – Pre-European Settlement history

T6 – the Great Plains Trails Network Connector – Birds of Wilderness Park

T7 – 14th Street – Animals of Wilderness Park

T8 – Saltillo Rd - Village of Jamaica and the Fort Kearney Cutoff of the Oregon Trail

Contact information – including emergency contact

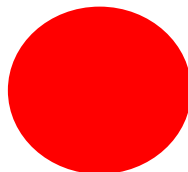

Navigational signage: located on trails at intersections
