WELCOME AND INTRODUCTIONS
Tracy Corr opened the meeting and asked the participants to introduce themselves. Attendees checked in on the sign-in sheet.

Jon Carlson announced BIKETACULAR, May 21. Call, or e-mail, him if you can volunteer.

Dennis Hecht announced Oak Creek Valley Bike Ride, Sunday, May 15, 8:00 A.M., Valparaiso.

MAYOR’S COMMENTS
Mayor Beutler announced May is National Bike Month. He encouraged the Roundtable to participate in the biking activities.

- Bike to Work, Lincoln, May 16 through 20. (See attachment).
  http://lincoln.ne.gov/city/mayor/media/2011/050211a.htm

- BIKETACULAR, May 21, 8:00 A.M. to 5:00 P.M., south of the Capitol on Goodhue Boulevard. (See attachment.)
The Mayor mentioned the new smart phone application at the Android Market. Lincoln residents can use the new app to upload pictures to the City for service requests. Using the embedded GPS positioning, City crews will know exactly where to provide service. http://lincoln.ne.gov/city/mayor/media/2011/042111.htm

The Health Department will soon present a trash ordinance making trash/garbage service mandatory for all homes. Enforcement will be complaint based. The public hearing will be Monday, May 23, 5:30 P.M.

Cleaner, Greener Lincoln has looked at the City code focusing on energy use and sustainability issues. Wednesday, May 25, 7:00 to 9:00 P.M., in the Council Chambers, the Development Service Center will present information on sustainable development codes. (See attachment.)

STREETS ALIVE! – PARTNERSHIP FOR A HEALTHY LINCOLN
Linda Kern, Partnership for a Healthy Lincoln, and Charlotte Burke, Division Manager, Health Promotion and Outreach, Lincoln/Lancaster County Health Department, presented a PowerPoint slide show on Streets Alive! (See attachment.) Cities nation wide have held this event. Usually, a loop course of 5 miles of closed streets provides residents the opportunity to walk, bike, run, skate, exercise or use any human powered conveyance. Motorized vehicles cannot use the closed streets.

Join your neighbors in healthy outdoor exercise (a stroll, brisk walk, jog, or bike ride, etc.). The Lincoln course (3.11 miles) connects Elliot Elementary School, Lincoln High School, Sunken Garden, Hamann Rose Garden, Folsom Children’s Zoo, 33rd & A businesses and Woods Park Neighborhood. N Street (Elliott Elementary School at 25th Street to the Health Department, 3140 N Street) and 33rd Street (O Street to A Street) will be closed to traffic. Vehicles may cross N Street and 33rd Street at 10 police-controlled intersections.

Streets Alive! Sunday, September 25, Noon to 5:00 P.M.
Contact Linda Kern, 402-483-4800, lkern@healthylincoln.org

Linda and Charlotte fielded questions and comments from the Roundtable.

SET JUNE AGENDA
The next meeting of the Mayor’s Neighborhood Roundtable is Monday, June 13, 2011, 5:30 P.M., in the Mayor’s Conference Room, County/City Building, 555 South 10th Street, 3rd floor. Next month’s agenda will include a presentation on marketing sponsorship for public facilities.

Come With Your Bike And Join The Fun!

Sponsored by the City of Lincoln, Stronger Safer Neighborhoods, NeighborWorks Lincoln, Near South Neighborhood,
Everett Neighborhood, Bike Pedalers, Cleaner Greener Lincoln, Lincoln-Lancaster County Health Department.
We need your ideas!

I’m inviting you to attend an EPA Technical Assistance discussion on **Wednesday evening, May 25th from 7:00 to 9:00 PM in the City Council chambers**. I also would ask you to extend this invitation to all the members of your neighborhood association. I’m sending letters to the few presidents who do not have email.

Please email Fred Hoke, fhoke@lincoln.ne.gov. Your members without emails can call me at 402-441-7584 to RSVP for me to get a count of the attendees. The general public also will be invited to attend this event through a City press release.

The Development Services Center is hosting this discussion in an effort to create a Sustainable Development Code Audit for the City. The City received the assistance based partly on work using the EPA Green Practices Toolkit.

Our discussions will be facilitated by Christopher J. Duerksen, Esq., managing director of Clarion Associates of Colorado, LLC, and co-founder of the Rocky Mountain Land Use Institute at the University of Denver, School of Law along with Kevin M. Nelson, AICP, Senior Policy Analyst for the U. S. Environmental Protection Agency’s Office of Sustainable Communities.

Chris and Kevin will introduce the concept of a sustainable development code -- what is it and how it can play a key role in helping a community attain its sustainability goals. After you get a better understanding of sustainability, they will ask you what sustainable development means to you and what you think are key sustainability goals for Lincoln. Your input will help them shape their presentation for the Thursday workshop.

Local government officials and members of the development community will attend the May 26th workshop. The workshop will deal with a number of topics dealing with sustainable development codes, barriers, incentives, regulatory gaps, planning policies and goals, best practices from around the country, and how to conduct a sustainable development code audit. I’ve attached a copy of the draft agenda.

**Free parking** is available at the north surface lot at 10th and K Streets. Please use the east doors to the City Building.

We are looking forward to having a substantial turnout of neighborhood association members. Watch for the press release closer to the meeting date.

Thanks, Fred Hoke
STREETS ALIVE!
“Come out and play in the Streets!”

When: Sunday, September 25, 2011
12 – 5 p.m.

What: Streets Alive! – Get fit Lincoln at Streets Alive!
  - For the first time ever, a 3.11 mile stretch of key Lincoln streets will be closed to motorized vehicles!
  - Walkers, bikers, runners, and skaters, any human-powered transportation—will bring our Streets Alive
  - Experience fitness and dance activities, music & entertainment in parks and along the route
  - Healthy foods – family activities- health exhibits and more!

Who: Can you walk? Ride a bike? Propell your wheelchair? Push a stroller?

If yes....this event is for you!

FREE and open to the public! NO experience necessary!

Where: Streets Alive! connects Woods Park; Antelope Park; Elliot and Lincoln High School; the Folsom Children’s Zoo; Hammon Rose Garden; Sunken Garden; and the Antelope Valley Trail as well as the 33rd and A Street businesses and the Woods park Neighborhood.

You can start anywhere on the course.

Why:
  - To bring the Lincoln community together for a fun, interactive physical activity festival
  - To spotlight Lincoln’s commitment to healthy, active lifestyles and experience some of our most scenic streets while riding, walking, skating, or strolling
  - To expose participants to the Healthy Food Fair where local restaurants serve their healthiest, tastiest dishes
  - To let people experience our city from a whole new perspective and pace
  - To encourage citizens to add non-motorized travel to their daily lives
  - To demonstrate the vital roles city streets, bike and walking paths, and parks play in Lincoln’s physical activity
  - To create space for people of diverse backgrounds to interact and build social capital
  - To establish Lincoln as a bicycle and pedestrian-friendly metro area
